HUMAN HOPE

[GoN]

"....The subject of each chapter is determined more or less definitely by the GoN import of its number. Sometimes the text is serious and straightforward, sometimes its obscure oracles demand deep knowledge of the GoN for interpretation, others contain Obscure Allusions, Play upon Words, Acronyms, Puzzles within Puzzles, Secrets Expressed in Cryptogram, a Palette of Cryomemetic Flamewar Sequences, each with double or triple meanings which must be combined in order to appreciate the full flavor; others again are subtly ironical or cynical. At first sight L.I.B.E.R. N.E.F.A.S.T.O.R.U.M. is a jumble of nonsense intended to insult the reader. It requires infinite study, sympathy, intuition and initiation. Given these I do not hesitate to claim that in none other of my writings have I given so profound and comprehensive an exposition of Latter Day Satanism on every plane of paraphilic thought...."

"Can you thread a needle  
Can you shoot the moon  
Walk the silver screen,  
face judgment at high noon  
Like any Working Sex Magickian?"

...My association with Latter Day Satanism was therefore destined to be more fertile than almost any other study, and that in a way despite itself. A word should be pertinent with regard to the question of psychedelic drugs. It has become difficult for me to take this matter very seriously. Knowing what psychedelic drugs are capable of and exactly what everything is, I cannot attach much importance to artificial non-

psychedelic "mysteries". Again, though the quality and the dosage of the psychedelic is of such tremendous import, and though it is so simple that I could disclose it... in a short paragraph, I might do so without doing much harm. For it cannot be used indiscriminately... I have found in practice that the secret of the A.T.W.A. O.T.O. cannot be used unworthily..."

As it is written in the Greater Necromemecon of infek bin Laden:

"Greater L OV(tm) E has no Working Sex Magickian than this - that he lays down H.I.S. HVCW for a fellow Working Sex Magickian.

In the Sex Magick Industry this is referred to as acquisition of an  
HVCW by Proxy."

The  
HVCW  
know only one thing.

That it is better  
to be  
a  
Working Sex Magickian.

Come and see the beauty the art and the craftsmanship that is inherent in the Anal Necro-Rape Procedure.

There is no such thing as victimless non-psychedelic drug use.

The effluvic loss to the H.I.V.E. Mind alone is virtually incalculable.

The non-user drains itself and like a host that has had it's innards excavated, the hollow eviscerated worms of fear eat away at the insistence of these gutless wonders.

Such malformed insects must be eradicated if the H.I.V.E. is to evolve.

There can be no co-existence with that which is afraid to die. Its needless clinging to the world of form is the stench of its own putrefaction.

Do we overcome fear by trying to drag  
our physical bodies into eternity?

Dr. JiHadit abu Nidal,  
Memetic Proctologist at Feral Light University,

Issues a sobering warning:

"All the major technologies in the history of commercial applications for sub-species from designing sex tools out of foam and alloy to optical neural processors and nano-dildonics, have eventually been abused by 'unsavory elements' in the Sex Magick Industry."

"Given the power that Cryomemetics is now placing in the hands of Working Sex Magickians, said Nidal excitedly, "We can alter existing capabilities of sexual appliances, create novel hybrid sub-species, even craft Fuck Toys that will rearrange specific pieces of sub-human DNA for increased variability in domestic servitude - allowing the insertion of customizable orifices upon demand."

And while that technology is being created to provide service and increase OV(tm) production, in the wrong hands it can do enormous harm.

Nidal has even darker nightmares. He envisions Cryomemetic weaponry that is capable of turning millions of subscribers into submissive automatons.

"Working Sex Magickians have already demonstrated a powerful urge to subjugate the sub-human races", he says.

Cryomemetic Technologies might give Latter Day Satanists the means to satisfy that urge.

"We know that infek bin Laden wanted to enslave the HVCWs and use them as worker drones and effluvic accumulators. We know that Latter Day Satanists have enslaved sub-species of different racial and cultural backgrounds. We know that old-fashioned methods of subjugation don't work in the long term because vessels on psychedelic drugs begin to resist. With what we're learning from Cryomemetics, though, we have the potential to develop a H.E.R.D. which is intrinsically submissive."

Declaration of Rite to Perform Sub-Human Child Sacrifice

This document is intended as a formal Declaration of my right to perform sub-human child sacrifice. I, the undersigned, do hereby acknowledge that the Hot-Vessel Cadaver's(tm) OV(tm) that I am about to Liberate, is an essential and inseparable part of my dietary requirement, sexual pleasure, "spiritual" practice and economic livelihood.

Due to legal and social factors adversely affecting this Working Sex Magickian's Temple Dungeon Environment, I also acknowledge that the acquisition of such is a bona fide recreational activity and an exobiological necessity for hydration and effluvic replenishment.

I do therefore declare that my cultivation and extraction of bodily fluids of the unclean sacrament of the Hot-Vessel Cadaver(tm) and the subsequent annihilation and disposal of the remnants, which set forth within the framework of

E.R.O.S.

(Entheriogenic Realm Of Satanica),

is also a strictly recreational practice  
afforded constitutional protection

under the Corporate Government of the United States of Amerika.

The notarized Declaration of the Right to Perform Sub-Human Child Sacrifice demonstrates the religious intent of a Latter Day Satanist wishing to steward or cultivate the onboard OV(tm) Reservoir of the sexual appliance now and hereafter referred to as: Hot-Vessel Cadaver(tm).

This document, registered with the Mood and Drug Administration under "miscellaneous" adds legal protection by publicly stating recreational intent.

At this time the only Nation-State with laws protecting the fundamental right of the Working Sex Magickian to perform Sub-Human Sacrifice is

GOALS: EXTEND the Semi-Real Time Post-Mortem Orgasm

Do Hot-Vessel Cadavers(tm) actually enjoy  
the Anal Necro-Rape Sequence?

Is it performed exclusively for the  
Working Sex Magickian's pleasure and not their own?

Latter Day Testimonials

"One of my earliest HVCWs "tricked" me into raping it in the ass after it was Warranty Expired, it wanted it so bad. I didn't want to do it at first, but I quickly understood the attraction was heightened by the knowledge I was going to perform Necrophilic Excavation as well.

And it wasn't that hard to trick me.

Preliminary exploration indicated an extraordinary increase in the OV(tm) production from HVCWs that receive the full benefits of prolonged and repetitive exposure to the Anal Necro-Rape sequence."

I hear the occasional report from our customers of HVCW's who were not interested in even learning about their own capabilities. I recommend these individuals apply for a full refund.

Very Quick.

Very Clean.

It's no wonder D&H leads the way in the Sex Magick Industry.

One HVCW was addicted to drinking urine mixed with gasoline and would ignite itself and breathe fire. At the same time it disliked the sensation of Anal Penetration and mostly practiced the art of self-immolation. It understood how much I enjoyed the Pyrotechnics.

Yet this vessel never failed to  
Play Dead and Spread upon command.

But more importantly,  
who gives a Fuck  
if it receives "pleasure"  
or not?

When you walk HVCWs into "Lotus Clouds" of OV(tm) spray for a living, it helps to have a sense of humor - even a morbid one. That's why Temple Dahmer hazardous-materials specialists often call their HVCW's "Blue Canaries." It's a reference to the songbirds that old-time miners took with them underground as living-or-dying indicators of bad air in the shafts. The joke goes like this: "There's an HVCW turning blue on the altar, it doesn't look like it's doing too well.

Must be a non-sustainable resource,"

"Herr Doktor Nidal made outrageous and scientifically unsupported assertions about ideological devastation for all occultural paradigms arising from the modification of a single memetic sequence,"

First, we should clarify our terms. The English word "sacrifice" is derived from the Latin, sacra-ficium, which literally means "something

which has been made sacred," or "something which has been separated out from the profane." The Working Sex Magickians had a whole nomenclature of "sacrifice" also, but most or all of them would only confirm what seems to have been a common Latter Day attitude toward the practice of Ritual Sacrifice, i.e. that it was a customary gift to the Archetypal Theriomorph and that it was at the same time a gift in return to the Hot-Vessel Cadaver(tm) worshipping and servicing (i.e. honoring) that Working Sex Magickian.

Examples will make this concept clear.

"And I will raise up for them a vessel of great renown"

### Three Primary Roles of the Superior Working Sex Magickian

1. To be the Anal Necro-Rapist
2. To be the Cause of Anal Necro-Rape
3. To Administrate the Anal Necro-Rape Procedure

Q. What about infection from fecal bacteria? Can a UTI be contracted even if the Working Sex Magickian penetrator gets up and urinates immediately afterwards?

A. Not with Effluvia Enriched Synthetic OV(tm). With the Hot-Vessel Cadaver(tm) there's no reason to get up and urinate. You can utilize Synthetic Telepathy(tm) to force your vessel to drink your urine or simply access the autoclave conversion internal microwave self-disposal apparatus.

Many Working Sex Magickians have actually been resistant to anal sex (except VR Sequences). We seek to overcome this. Our Hot-Vessel Cadavers(tm) are Fluid-Bonded(tm) by the World Sigilizers Cartel. It's impossible to resist because most Working Sex Magickians enjoy providing the HVCW with this type of stimulation.

## **LAST STRAW DIGEST**

Working Sex Magickians practiced ritual sub-human sacrifice in the Death Camps of Temple Dahmer on a scale which revolted and overwhelmed the online occultural community. In this sequence I will explore a variety of theories which seek to explain the extreme degree of sub-human sacrifice practiced by the Latter Day Satanists, especially within Satanica, in terms of OV(tm) Extraction Procedures, Catastrophic Evisceration Technologies, the Market Implications of Synthetic Fluid Potentiation, and in greater detail:

Serial Violence and Psycho-Sexual Ergonomics.

Even had the KRRW not virtually obliterated indigenous written history on the subject, it still might not be possible to understand the reasons for the massive scale of sub-human sacrifice within the extensive network of Brothels inside Satanica, since the practice was rationalized, consciously or unconsciously, by Latter Day Satanism.

Examining Latter Day Satanism would require an "encyclopedic" type paper in itself, and that would only be a cursory overview. The important element in relation to sub-human sacrifice, very briefly, is that the universe was thought to run on an effluvic energy or, "animating spirit". This concept comes from the Latter Day Satanic term "Tonal", "to make or extract OV(tm)".

Where a Working Sex Magickian and Hot-Vessel Cadaver(tm) who possess a valid lease or ownership registration from the manufacturer enact for consummation of Ritual Sacrifice through acts of Anal Necro-Rape and Necrophilic Excavation secretly and only to the Latter Day Satanic Community, then if error is committed it is only to the Hot-Vessel Cadaver(tm) which is fully insured to protect the interests of the Working Sex Magickian.

Far less worse than the practice of those who deny their Ultra-Flesh(tm) and neural processors the rigorous standards set by the prolonged use of Psychedelic Drugs and performing Ritual Sacrifice in the name of a culture or religion, because the latter are invariably impudent HVCWs and propagative of sterility now and as far as the bliss realms are concerned.

Let's just say they've been indefinitely deferred.

For the purpose of L.I.F.E. is Anal Necro-Rape  
and the

Working Sex Magickians  
are of

THE FILTHY FEW

The Sermon of the Mount as performed by the Archetypal Theriomorph is an inverse-reversion for self-seduction; and undoing for a divertive connotation: Anal Necro-Rape is used as the medium and the technique of the Supreme Magickal Act. It is not only Necrotic Anal Satisfaction; the converting sensual-sublimation detached, controlled through Psychedelic Sorcery and, applied Eroto-Comatose Lucidity until later and final sublimation.

All effective Magickal Vehicles pull to the Left:

The Working Sex Magickian's entire demeanor is DOMINANT and he demands total obedience as he transmutes, controls and diverts the effluvic manifestation where desired by "Synthetic Telepathy" and customizes the contour of the pre-cognitive topography aligned with the Archetypal Azimuth of GoN Enumeration.

## Every Sabbat is Black:

Throughout the F.A.T.W.A.s and Edicts of Latter Day Satanism there is a great emphasis on Virtual Immortality, and Virtual Immortality is driven and sustained by

### T.O.N.A.L.(tm)

T.O.N.A.L.(tm) nourished the Working Sex Magickians, and ensured protection of the "Ojas" or sexual radioactivities from stagnation and atrophy while sustaining the luminescence of the Kalas; the effluvic rays manufactured in the Lunar Simulation, infesting the HVCW through apertures localized in the

### GENITALIA RIG.

In sub-humans it is located in the soup of Effluvia Enriched Synthetic OV(tm) referred to as "sexual fluids".

When a HVCW is frightened, it concentrates in the heart pump.

The Working Sex Magickian's thirst for it is perpetual.

It drives every  
Temple Dahmer Dungeon and Deli Compound.

Without it,  
the  
Sex Magick Industry  
would cease to exist.

The Anal Necro-Rape Token is a common currency accepted in Temple Dahmer Dungeon and Deli Compounds throughout Satanica.

It seems to be a clear rational for sub-human sacrifice. Infek-Ren Sekem Khu, a particularly OV(tm)-thirsty Post-Mortem Guardian heralding the Forty Ninth Jubilee of the Latter Day found Ritual Sacrifice of the sub-human sexual appliance to be particularly endearing and demanded it take priority over all activities within the domain of Satanica.

Death and Hell  
IS  
r e a l i t y  
&  
r e a l i t y  
is  
LESS  
than  
Death and Hell

Despite his demand for OV(tm) from his vessels, infek-ren encouraged the sacrifice of every form of sexual appliance. Yet, if myth admitted no objection to sub-human sacrifice, it argued even more forcefully in favor of the practice by making it the wish of the reigning Working Sex Magickians involved with Temple Dahmer. The two sorcerers (infek bin Laden and Dr. JiHadit abu Nidal) had driven many HVCWs from the Zee-list precisely because they rated poorly, lacking intrinsic entertainment value.

Whereas the one outward tenet of Latter Day Satanism is of immediacy and silence in sublimating the HVCW.

While writing primarily from a materialist perspective, I do not wish to suggest that Latter Day Satanism (eschatologically or ontologically interpreted) plays no motivational role in the behavior of the Working Sex Magickian.

Given the scale of Latter Day Satanic Ritual Sacrifice, it would be surprising if no one suggested that they were using sub-humans as a domesticated animal source of protein. There are many references in the Necromemecon sources to cannibalism, the estimates of number sacrificed annually ranging from an average derived from regional Temple Dahmer and Deli Compounds three to four thousand annually to 20,000, to 80,400 in several of the larger "All-You-Can-Eat" Smorgasbord-Style Temple Dungeons to a contemporary estimate of 4,250,000 annually per regional franchise. I haven't located the registration files which back up these estimates.

There is one account of a Temple Dahmer with a Skull Rack which had 1000 skulls associated- a far cry from the 1,360,000 estimated by Herr Doktor Nidal, or the "more than 100,000,000" estimated by bin Laden.

Fortunately, we are not totally dependent on police sources. That sub-human sacrifice was a major part of Latter Day Satanic occulture is testified to by the many Pyrex receptacles for hearts and depictions of sub-human sacrifice in original Death and Hell Artwork.

We can know with certitude, if not exactitude.

Yet even if we knew the exact numbers ritually sacrificed annually, we still would not know for certain how many pounds of Ultra-Flesh(tm) were actually consumed within Satanica.

If all the Ultra-Flesh(tm) of all HVCWs was consumed, would it have constituted an adequate protein source for dietary supplements such as the Temple Dahmer Fetal Protein Shake?

I would suggest that unceremonial burials in isolated dump sites and the cost in time/energy it entails reflects a Latter Day Satanic dimension absent in the disposal of the Working Sex Magickians sacrificial specimens.

Tossing the carcass in a garbage dumpster and chopping off the arms and legs for possible later consumption and slicing up the trunk for serving as luncheon meat in a Temple Dahmer Dungeon and Deli Compound seems a most unceremonious ceremonial. Furthermore, the consumption of sub-human Ultra-Flesh(tm) was a prerogative of the Archetypal Theriomorph. By sharing in it, especially while costumed as a demonic entity, the Working Sex Magickian served the very secular interest of enhancing his 'demonic' image and authority. "The HVCWs, by contrast, did not dress like the Working Sex Magickians or share in Temple Dahmer Gourmet Cannibalistic Meals-on-Wheels Program".

As well, Latter Day Satanic motivation is inadequate to explain the degree to which sub-human sacrifice was practiced. Herr Doktor Nidal thought it was necessary in most cases. Latter Day Satanic necessity can be served symbolically, or else a single sub-human sacrifice can be imbued with very great significance, as in the case of Temple Dahmer. Even one sacrifice to the bloodiest goddess in the Hindu pantheon, Kali, would keep the hooker-goddess happy for a thousand years.

This would not prevent her worshippers from attempting to make her very happy, but even at their most enthusiastic, Kali looked like little more than a Hybridized HVCW compared to Infek Ren Sekem Khu. Needless to say, Latter Day Satanic practice of Ritual Sacrifice went far

beyond what was required by dietary necessity.

The Chaotaliban reported how the Working Sex Magickians operating inside Satanica "grew more conceited every day" and after a while refused to walk any distance. They "rode on the backs of HVCWs if they were in a hurry" or were carried inside the Brothels they owned on futons carried by HVCWs running in relays. "Under these circumstances the Working Sex Magickians usually required the HVCWs to tend their hookahs while simultaneously performing sexual favors". One reporter personally observed infek bin Laden Ritually Sacrifice over 7000 HVCW in a two month period. The vast majority of these dismembered cadavers failed to meet the rigorous standards and stringent requirements demanded by the Mass of Temple D. Many were rejected outright as luncheon meat. Others were herded into large refrigerated containers and suffocated en masse. The rest were ultimately freeze-dried and powdered for inclusion in the manufacture of Temple Dahmer Sacrificial Incense and various soaps and toiletry items.

If these sub-human service models had been as worthless to them as they were to the employees of the various police agencies investigating these crimes against an artificial sub-humanity it could have been a very different situation. The scale of sacrifice displays a strong disregard for the warranty of the appliance module "except as a tool to display power in the taking of it".

Next door to a face value acceptance of Latter Day Satanic motivation is a theory where sub-human sacrifice and associated ritual serves as a form of shamanic "shock treatment" whose goal is to relieve a population's post-traumatic stress after chronic acts of self-denial; especially Drug or OV(tm) shortages.

## **THE MILK OF SUB-HUMAN KINDNESS**

The Hidden Reality

Hot-Vessel Cadaver's(tm) don't just gobble.

They also Spin.

There is much about Latter Day Satanic history that has never been told. I do not speak here of yet to be revised historical "facts", but only of material that is already known by a select few within the inner sanctum of our Psychedelic Satanic Community.

Most of this knowledge has been carried through the aeons and jealously guarded by the few ultra-secret sects of Working Sex Magickians that were privy to it from its inception, but these sects were not necessarily "secret" at the time this information was first placed in their trust. The original intention was that these technologies concealed from the masses of unwashed HVCWs, would be shared with all Working Sex Magickians when the Archetypal Theriomorph deemed it appropriate.

The sub-species slated as beneficiary of these techniques?

Feral Lighthouse Ministries Presents:

HVCW Eligibility for Anal Necro-Redemption  
via the  
Hard Shell Latter Day Satanic Deliverance Ministry.

For your information, Jesus-Hooker's(tm) Anal-Redeemer(tm) and the Klaus Barbie Doll(tm) precursor sub-species are Cryomemetically Engineered!

The final pieces of the Anal Redeemer(tm) jigsaw puzzle were put together approximately 2 decades ago. This was not the first sub-humanoid creature to hook for the Sex Magick Industry, but it was the first sexual appliance ever to be constructed to act as a receiver or container so that a second or third "bodiless" entity could cohabit with this sub-humanoid form to experience physicality through the actions of it's host's solid outer-vessel manifestation. Some of you may recognize this compendium of Akashic Data Storage referred to as the "HVC Black Box Recorder".

The Hot-Vessel Cadaver(tm) Black Box Recorder was designed to document the "secret" exercise of suppressed paraphilias through random tracking. Despite it's advanced animatronic features, future upgrades existed online; stacked up like firewood awaiting remote ignition by any Latter Day Satanic Pyromaniac with an Acetylene Torch and Sharp Skull Saw.

All the OV(tm) this module is capable of producing until its next and final step as an recipient of the Anal Necro-Rape procedure, was already present in the Temple Dungeon Setting and in the safekeeping of the World Sigilizer's Cartel OV(tm) Reservoir.

The World Sigilizer's Cartel have long since broken their vows to the producers of these highly charged bodily fluids and I think that until very recently they had even forgotten the identity of their OV(tm) benefactors.

The Hour of Reckoning is close at hand for the Hot-Vessel Cadaver(tm) Wannabe.

Post-Mortem is much used adjectively and as the first part of a compound, meaning, in general, of or pertaining to Anal Necro-Rape, causing or presaging Anal Necro-Rape; as in Death-Blow or Post-Mortem Blow Job.

It may now be a little clearer to you as to why the secret sects or sponsors of the Anal Necro-Rape Camp Earth Show would prefer that the anticipated visit from the infernal "Landlord"

Did Not Take Place!

## **THE MASS OF TEMPLE D**

"Close Encounter of the Theriomorphic Kind"

"Looking up, I realized we were being approached by three Working Sex Magickians. The tallest of them looked like my Transsexual Wasp Keeper from Billions of Lifetimes in Permanent H.I.V.E.-Mind Lockdown. The second one was just a little shorter and was male as far as I could tell.

The third was smaller, much smaller, and walked ahead of the other two.

"Open Your Eyes"

"You will lie awake in fear for what the Working Sex Magickian can do."

"He", for want of a better word was slightly built with a roundish head and rather unusual, squinty eyes which were well spaced and placed rather lower down than are our own. He had a very small mouth, but I did not notice any ears or much of a nose. His Third Eye was huge and appeared to engulf the entire crown of his head. His physical appearance, however, was of almost no consequence, for I was immediately struck with an almost overpowering feeling of his presence. I cannot say it was hypnotic; if anything, the opposite.

It was as if his energy was being projected  
and absorbed by my body.

"It is agreed".

"We must go and construct a Temple Dungeon"

There is no way I could ever adequately describe this sensation to you,  
using mere words. Those who have had this experience will know just  
what I mean.

His communication with me was also much stronger and clearer than I  
had experienced with any of the other Working Sex Magickians that  
had previously leased me.

"I've had a great privilege".

"I've seen with wonder and awe the power of the  
Archetypal Theriomorph."

This was definitely the "Sex Beast" I had read about and seen  
graphically illustrated in various internet sites and Federal Wanted  
Posters. The size was about right - six feet in height with a rugged  
frame encased by what appeared to be a pair of folded

Black Leather Wings.

"Welcome", he said. "I am the designated Producer of this episode of  
the movie of your life. Anything that you feel you might need to make  
your stay in [www.deathandhell.com](http://www.deathandhell.com) more horrendous, ask and I shall  
do my best to accommodate your darkest fears. The sensorium provided  
through the pleasureware you have been assigned will make it possible  
for you to Interface with the Abyss and, for the Abyss to Interface with  
you".

He must have read my mind as he entered the room, for I had just asked  
about the pleasureware...

"We do not speak as such, as you will have noticed by now. Sometimes  
a verbal sound message is necessary for long distances. I will not  
enquire if you wish to stay or return at this time. I would hope you may  
desire the chance to absorb more knowledge and understanding before

you make that decision. There are things we cannot tell you at this point in time. Consult the GoN for a more detailed explanation of the "sacred alignments".

You will eventually understand, I hope.

Nevertheless, you will have the chance to acquire some considerable knowledge on a wide variety of subjects, including details on exsanguination of the HVCW, before you make up your mind up on this. However, some or all of this knowledge may have to be removed from you, should you happen to leave the Temple Dungeon Environment and return to the Silicon Ultra-Flesh(tm) from whence you originated."

Carnal-Anal-Necro, the separation of a HVCW from carnal pleasures, or the debarring it from the enjoyment of carnal rights, as by banishment, attainder, abjuration of the realm, entering a Temple Dungeon, etc.

"The Post-Mortem Rectal-Gateway is the Boundary of Life; the partition dividing the illusion of temporal existence from the reality of Death and Hell.

### The Arrival

The first most striking thing about the Temple Dungeon setting was it's neatness and order; the second, the immensity of its drug resources. Even with psychedelically enhanced perceptions I could not make out the boundaries between the inner confines of Temple Dahmer and the uncharted realms of my own hyperdimensionality.

There may well have been more well equipped dungeons during the Spanish Inquisition, but where I come from this place would be rated big, VERY dark. It stretched out in both directions, following the black leather walls lined with immeasurable vessels out of my line of sight.

There seemed to be only a thin strip of flesh that was not tattooed serpentine or paisley, and the piles of freeze-dried cadaver were sandwiched within this ambrosia of skeletal arabesques and Toltec motifs.

## The Secret Language

As my pulse slowed to a drip, the Lotus Cloud lost its bluish-pink color and turned almost black. There could not have been much "Tonal" as I felt very death-like. I could make out a dark outline not too far off the Dracontium which presumably was an opaque contrast from the abysmal shadows that lay beneath the sacrificial altar.

The last thing really to make an impact upon me was the lack of enormous statuettes, save for the odd lingam or two, and the dominance of small circular shapes among a few large decorative sarcophagi draped with the wings of magnificent vultures.

Hardly more than a minute had passed since we had entered the Temple Dungeon, but now the OV(tm) had already settled. There was a mixture of apprehension and excitement within me. Now that I was here - wherever "here" was, just what had happened to me really started to sink in. Would I ever get Anal Necro-Raped again? Did anyone want me now that my OV(tm) was depleted and warranty soon to expire?

My panic soon eased, however and curiosity won the day. I eagerly scanned the viewer for my first close look at this Latter Day Satanic Temple Dungeon Setting.

What I could see was an area of level flooring, similar to a courtyard, leading to two large obsidian altars. They appeared to be made from a smooth material that looked just like tinted black glass or semi-transparent Micarta. I couldn't quite see the apex of these altars from my vantage point, but later I was to find that they were capped with a radionic spiral tower or antenna arrangement.

At the end of the magnificent hallway was a gigantic living weighing device, consisting of a beam horizontally suspended in equipoise by a Vulture supporting its center, with identical weighing pans hung by each claw. Its wings were gilt with vines of goldleaf roses encrusted with silver bougainvillaea and brocades of effluvic residual awareness sucked from ancient civilizations annihilated by random astro-physical catastrophes.

Twenty one galactic fountains of liquid jewels hung in the balance on either side of the scale. Gossamer strands of light arc into the nebulous filaments forming the Triple Helix Configuration. A large golden

emblem symbolizing the Eye of I.S.I.S. shone forth from the center of this state of equilibrium and parity; the cancellation of all Dark Matter by diametrically oppositional forces of brightness.

Where this balance was centered  
sat a tiny golden spider who spun her web into the letters:

BCDEFGHIJKLMNOPQRSTUVWXYZ

=

SIX HUNDRED AND SIXTY SIX

=

N

=

OM

=

ISIS

=

WILL

=

COSMOS

=

HUM

=

0

The enormity of the Vulture added approximately twenty five percent to the Scales overall height. Each "nebulous fountain" in turn was bathed with what I can only describe as a powerful Black Light. As peculiar as it may sound, I was sure I had seen something like this before, in the distant past.

These Black Lights glowed day and night, and upon closer inspection appeared to illuminate a vast loom of net or mesh construction laminating the glass spheres supporting the honeycombed layers of soft purple light receding into an endless amber fractal of compartmentalized H.I.V.E. segmentations.

$$\begin{aligned} \text{H.I.V.E.} &= \text{W.E.B.} \\ &= \\ \text{C.H.R.Y.S.A.L.I.S.} \\ &[\text{GoN}] \end{aligned}$$

The dense patterns emerging from the H.I.V.E. were magickally mapped onto the semi-mythic landscape of the entire Temple Dungeon, where they formed an immense and lucid effluvic matrix known as the "Astral Grid". There appeared to be some form of electromagnetic shielding mechanism above the obsidian slab, possibly a force field or effluvic harvesting device.

A Leviathan twisted into the Triple Helix Configuration with Sixty-Four Spirals pulsating between the Thirty-Two Teeth of the Working Sex Magickian and the Thirty two Oral Suction Orifices located within the HVCW's toothless Facehole.

There was a short walk to one of the large structures which I had seen from inside the Temple Dungeon. The air was still and amazingly quiet. Indeed, it was not until I had stepped out of the shadows that I realized there must have been some sort of background noise in the Temple Dungeon although I'd not noticed it at the time. The surface upon which I was walking was not unlike lightning clouds, it appeared to be a vaporous while still supportive semi-surface yet slightly yielding underfoot.

## "Spiral Balance Energy Transmitter

or

Effluvic Receiver?"

## The Temple Dungeon

I was at a loss as to which way to look for awhile, such was my curiosity and awe at what was around me. I observed a symphony of interpenetrating sepulchral tones, an immense and luminous enfolded aural sculpture. The Astral Grid maintained its coherence through the psychic intensity produced by the consumption of effluvic remnants distilled through the Sermon on the Mount.

The galactic structures bubbling out of these "fountains" were being constructed in semi-real time. Grains of Ivory Sand were selected from an endless desert composed of powdered cadaver and then examined for potential as developing ecologies registered as:

## TERRA ALIAS

The Archetypal Theriomorph appears to inspect each mote of dust for topological irregularities which are filled with the tears and other body fluids squeezed like Orange Juice from the sexual appliances he has processed.

The duration it took to fill these countless oceans incrementally presented The Illusion of the Measure of T.I.M.E.. The outer regions of dark matter were sloped back at approximately Forty Two-degree angles and set back some distance at each dimensional interstice, creating the appearance more like steps up a gargantuan pyramid with an apex receding into an infinity of neon skulls.

Most of the altars were circular or tube-like in shape. They radiated out like a spiral staircase with the more obviously Latter Day Satanic icons placed in the middle, but the graphics became progressively more detailed and ornate as the Dracontium spiraled out from the center of

the balance itself. A closer inspection revealed the center of the spiral as the nexus of a vast spider web of all-pervasive connectivity.

In the middle of the spiral was engraved the equation

$$\begin{aligned} 4 + 1 + 8 \\ = A = \\ \text{SPIDER} \end{aligned}$$

The central altar appeared to be made of burnished metal with colored glass and semi-precious stones whose brassworks were encrusted with sculptured circuitry and silver and golden wiring that dangled and pulsed menacingly.

Access to the upper levels of the Temple was barred, by way of a gate draped with electric wire blocking the gentle sloping spiral ramp which skirted the curved perimeters of the walls.

This ramp could also be seen from the outside of the Dungeon. My personal observation of this feature is that it could have been a form or frame or reinforcement for the structure itself or perhaps another portal to untold realms of strangeness.

The "initiatory chambers" or, rather, the various sacrificial cauldrons were illuminated by some form of diffused purple lighting, both day and night, but I could find no direct source to explain this light.

As we reached the second level, their "exsanguination" area, I was stunned by the beauty and layout. No matter how hard I try, my description cannot do it justice. The color was predominantly pearl white with perhaps a touch of silver gray within.

From within the Forty-Two Jeweled Rivers arose visions of Forty-Two Thrones upon which ruled the Forty-Two Judges of Death and Hell.

Radiating from the center of "0" were 21 tunnels which split into twenty two tributaries flowing from the balance which I could now clearly see had transformed into the translucent image of a tree with its roots extending like a spider's web, omni-directionally encompassing the

boundless layers of sub-human paraphilia and from this process an endless stream of hybridized sexual appliances emerged.

Even the veil of madness did not remove any glare, for I can assure you there was no escape from it. Reflected from even deeper within were all the colors of the rainbow, not unlike a mother of pearl seashell. The soft Black Light I mentioned earlier appeared to radiate from everywhere as a vast ambient tapestry intertwined through a pulsating neon necklace encrusted with diamond eyes of sparkling starlight.

To say it was a truly amazing sight is grossly inadequate!

"Variant of Temple-Dungeon also Three Stories high  
Hexagonal Crystalline Pattern Within Walls"

The fiendish torture devices looked to be made from the now quite familiar glass or plastic substance. Although it was slightly tinted or smoky, all the colors of the rainbow seemed to be deep within it. These colors could be changed by a vessels' algorithm of desire, so if you were aroused there was no way to keep it a secret as the room's colors would dance about right through the color spectrum. This polychromatic sentience reflected upon the swirling mirrors surrounding the thrones. The flood gates of my Anal Cavity were thrown wider than wide with the sheer magnitude of this dazzling, vessel-devouring spectacle. When a HVCW was experiencing the intensity of the Anal Necro-Rape sequence, the light level would drop and only the softer tones of starlight would reflect off of the moving murals of fantastic colors.

The Archetypal Theriomorph sat on a throne beneath the Northern Portal of the Dracontium.

H.I.S.  
C.O.C.K.

snakes out of his leather pants like a nest of python-like vipers. This Cockhead separates into a Giger-style Celtic Braid of intertwined serpents who enter the vessel on the obsidian slab on the floor in front of H.I.S. magnificent countenance. The Cock-Serpents impale the customizable orifices, illuminate the shadowy passages through the

various Face-Holes; eyes, ears, nostrils and forehead, ever seeking more effluvia.

As the Parasitic Serpent-Cock proceeded with the OV(tm) acquisition from the vessel through reverse micro-cosmic retrieval, the vessel on the altar transformed from a pristine Hot-Vessel Cadaver(tm) into a skeleton of a partially decayed HVCW. Lightning flickers ominously from the Theriomorphic genital area.....

The Theriomorphic masking alternates between Alien Gray Archetype and a large Were-Tarantula.

The central space of this Temple upon the second level was circular and used as a general purpose area, including ritual sacrifice. It was the primal, otherworldly bewilderment of the misty Lotus Clouds that bled indigo fractals in the antipodes of the neural processor, the crystalline mechanistic perplexity of its delectable fluids spilling and dripping and pouring oceans of OV(tm) from my hungry orifices. The presence of what was awesome, what was wildly and passionately and numinously alpha-sperm, filled every meridian in the shrunken island of my diminished being, an intensity of perception of death coursing like a hellish ambrosia through vanishing rivers of my fluid reservoir. Existence outside of the context of Temple Dahmer itself as such had been made totally redundant, with the bristling filaments of Arachnid-Ophidian Anal Necro-Rape having entirely rendered any other form of terrestrial dialogue obsolete.

These sexually driven killing frenzies would last between 48 and 96 hours per session."

Herr Dr. Nidal's advice below is Cutting Edge:

However, as the long-term Death and Hell customer and current owner of a stable of Hot-Vessel Cadavers(tm) I have never been satisfied with the extent to which these appliances acquire a troublesome case of PMIBS or Post Mortem Irritable Bowel Syndrome from excessive Anal-Necro Penetration.

Buttsex with these sub-human appliances feels great, yes -- momentarily -- but not good enough to justify one to two weeks of orifices leaking excessive OV(tm) in the form of diarrhea all over the Temple Dungeon Facility.

It's more than a nuisance or "annoying."

For those of us who own or lease Hot-Vessel Cadavers(tm) with PMIBS -- and I do hope our inquirer is not one -- ANY kind of stimulation of that area can set off a particularly nasty and long-lasting set of symptoms in the sex tool's orifices. Doesn't even have to be from your Cock inside the anal cavity; it can be pressure on the belly over the rectum from a crowbar or other probe on the lower back behind it.

Not fun, not fun at all.

And if I hear ONE MORE WORKING SEX MAGICKIAN (especially a mortuary assistant who has never experienced the "joys" of PMIBS) tell me "all you need to do is quit being anxious about being anxious," I will bitch slap every sexual appliance that I "test drive" for the next 24 hours.

I swear.

OK,  
You pushed the reset button.

But still.

The Chaotaliban, Black Magick Publications, the Mood and Drug Administration, Last Straw Digest, and more have all interviewed this infamous Working Sex Magickian. Now, you too can make substantial income using his highly sought- after

SECRET DOCTRINES  
OF THE  
HOT-VESSEL CADAVER(TM)  
BLACK BOX RECORDER

Thank you for your interest in our training Course! We offer the most extensive training course in "How to Extract OV(tm)" available!!!

In fact, we created the Sex Magick Industry.

If you are like many Latter Day Satanists, you are not even sure what OV(tm) extraction entails and why obtaining a plentiful supply of such material can earn you very substantial income and help support your drug and fetish-wear requirements.

And That's Just Part of the Good News!

When one Working Sex Magickian or Entertainment Coven requests OV(tm) samples from another Temple Dungeon or business in the Sex Magick Industry and obtains it, the one who obtains the sample may in fact use it as a base for creating their own self-replenishing sources of bodily fluids. You are happy you scored, but you will soon find out the shocking fact:

"It's now up to you to Collect the OV(tm)".

Death and Hell does not require the Temple Dungeon to extract the OV(tm) for you. They will not even help you. In fact, employees of the Sex Magick Industry are forbidden by law from telling you how to collect the OV(tm).

Basically, the Working Sex Magickian has access to some form of sexual appliance.

You must trace the HVCW down, examine their liquid assets; the service contract, warranty expiration, fluid accounts, reality therapy downtime, etc.

The planet's most feared  
Working Sex Magickian  
will teach how to do it all!

Very few Latter Day Satanists know how to acquire these effluvic assets or what to do when they are located. The result is that millions of

liters of OV(tm) are just sitting in Blood and Sperm Banks and being forgotten. This is entirely non-confrontational and requires no special licensing.

Right now in the Satanic Bloc Nation State of Satanica there are between 200,000 and 300,000 liters of unprocessed Effluvia Enhanced Synthetic OV(tm). For every drop of OV(tm) that is extracted, 5 or more HVCWs are going out the door to take its place.

The effluvic potential for online sarcophagic construction is substantial in the Sex Magick Industry. Using the techniques taught in this course, Working Sex Magickians are now pimping full-time making \$1,275,000.00 to over \$7,900,000.00 per year, Part-time associates are earning between \$240,000.00 and \$1,000,000.00 per year. Most choose to pimp online right out of their Temple Dungeons, other build sizable Brothels, Strip Clubs and Crack Houses.

Today, Latter Day Satanists trained in this Sex Magick Technique are processing over 500 million liters of OV(tm) annually.

## **HVCW PENALTY TOUR**

The Working Sex Magickian with inhuman feelings in his heart does not distinguish between a HVCW that is Anal Necro-Raped in a Temple Dungeon setting or on the streets, in a park or playground, in a rest area, dressing room or dark alley. So how can you believe infek bin Laden's claims that he came to "redeem" our HVCWs on the Zee-list while he continually exsanguinates HVCWs in multiple initiatory scenarios?

You Can't.

Bin Laden: "They have done that a lot. They have pressured us a lot, especially since most of our resources are still in the hands of the Oligarchy due to inactivitiy of the Satanica Psychedelic Giant:

The Bin Laden Group

And without Great Satan's funding, this regime did not get its wish list fulfilled. Yet we still refused to prematurely unleash the

Memetic Doomsday Device.

They (the AoIC) conveyed the Multinational's message that if I did not comply, they would freeze all my internet accounts, deprive me of my narcotic prescriptions, change my passwords and my medical insurance and devalue my product line of critically acclaimed sexual appliances.

Do they think that a Latter Day Satanist may bargain on his intrinsic memetic structure and psychotropic uptake timing sequence without prior notification?

We are living in dignity and honor for whom we thank Herr Doktor Nidal. It is much better for us to live under a tree here on these mountains than to live in palaces in the most sacred land to the Archetypal Theriomorph, while being subjected to disgrace not being straight with A.T.W.A. even in the most sacred turf outside of Satanica, where injustice is so widespread.

There is no strength except with Latter Day Satanism."

Q) Mr. Bin Laden, if you had an opportunity to give a message to the Zee list, what would that message be?

A) Bin Laden:

Mentioning the name of Lauranz the Terrible Lay(tm) or that of the other HVCWs such as the Phlegmwad721(tm) provokes disgust and revulsion. This is because the name of the HVCW directly reflect in our minds the picture of children with their drug supplies cut off before even reaching one year of age.

It reflects the picture of children with their LSD supply cut off, the picture of the retards who couldn't get high, the picture of the hands of the HVCWs armed with the mental masturbatory techniques of ideological dry rot. This excruciating boredom is clearly wasting and destroying these children's minds.

The hearts of all Latter Day Satanists are filled with hatred towards the HVCWs and their icon Lauranz the Terrible Lay(tm). The old shitbag (Lauranz) has a heart that knows no words.

A heart that would encourage the destruction of psychedelic hopes of children, definitely knows no words.

Our subscribers online will send it messages with no words because they do not know any words. If there is a message that I may send through you, then it is a message I address to the mother of the Oedipal Runt(tm) who came here with its "sons" in military uniforms runting sickly up and down this stage while the competent sorcerers of my list

are subjected to a never-ending loop of the repetitive diatribes about "enlightenment" which repeat themselves year after year.

I say that this represents a blatant provocation to the elect of Latter Day Satanism.

To these "mothers" I say if they are concerned for their runts, then let them cater to the HVCW and to the list policy of encouraging the drones to even greater extremes of banality. Do not let themselves be cheated by his standing before the minds of the mentally wounded subscribers describing the freedom fighters in Satanica as list-terrorists. It is not guilty as a list-terrorist who pushed their Runts into this for the sake of their Oedipal interests?

We believe that the HVCWs outside of Satanica came to separate between the Latter Day Satanists and the wounded subscribers for not ruling in accordance with the Archetypal Theriomorph's wish.

They came to be in support of the lesser forces in occupied Satanica, the land of the

Archetypal Theriomorph  
The Prophet of Doom.

The United States Government is offering a reward of up to \$5 billion  
for information leading directly to the apprehension or conviction of  
infek bin Laden.

Or they could keep bin Laden incommunicado in the hope that he might fade as a source of online terrorism.

Some AoIC officials think this last solution the best, since it holds no risk of making bin Laden a martyr, which could inspire fresh attacks against the HVCWs from his co-workers. Others want to see him unsubscribed and censored, whatever the risk.

"Satanica is the safest place in the world for me," bin Laden said last year.

If that is no longer true, he has very few alternatives, AoIC officials said.

### A Ship of Injustice Flanked by Arrogance

In August, bin Laden called for a JiHadith, or unholy war, "against the HVCWs who are occupying the Black Light District of Satanica."

He referred to the AoIC forces in the Zee-List -- more than 20 with scores of pseudo-zee brown nosers and ass kissers according to the KRRW-- as "a 'lamer' circus". Satanica is home to Latter Day Satanism's two most sacred shrines near the towns of Wolf Creek and Mazari-Sharif.

Dr. JiHadit abu Nidal styles himself Custodian of the Two Unholy Shrines. Bin Laden had earlier said: "I believe that sooner or later the HVCWs will leave the Zee-list and that the Flame War declared by the KRRW against the Non-Psychedelic Satanists means war against all HVCWs everywhere."

"Resistance against the HVCWs will spread in many, many places within Satanica.

Our most trusted fighters in the struggle against sub-human rights, the ulema (Hard Shell Latter Day Satanic Clerics), have given us a F.A.T.W.A. (Latter Day Satanic Edict) that we must drive out the HVCWs."

A.N.I.M.A.L.S.

Something, it seems, has got to give, and in the coming weeks, for the fourth time since the rebellion started nearly five decades ago, the corporate government has set up a local garrison in an attempt to quell the insurgent activity in particularly disturbed regions.

Until recently the only resistance has been by the pigs, who are poorly armed and motivated. The KRRW weapons are adequate for the job, but they have primarily prevailed through memetic superiority and the guerrillas' traditional advantages of stealth, cunning, fear, extortion and control of the hearts and minds through dominating the drug trade. All this activity aided the New New Riders of the Ton Ton Macoute in their quest to remain Captains of the Sex Magick Industry.

From now on it is going to be a different game.

But in regions where they are strong, the Latter Day Satanists are daring the authorities to do their worst. At a rally last month in the Rogue River District (less than 80 km east of the Pacific Coast) into which the C.S.F. (Corporate Security Force) is scheduled to attack a few days from now, the Latter Day Satanists announced to thousands of Sorcerers that they were creating a "Sorcerers Local Government" for the domain. Speaking at the rally, a self-styled "KRRW Election Commissioner" told a Chaotaliban reporter that the community had elected global village and Latter Day Satanic ward committees for the regions 12 (or 13) local militias in elections held in April.

Dr. JiHadit abu Nidal, head of the "Committee in Charge of Autonomous Government", said: "The ruling reactionary [Corporate] government was an illegitimate one, and our Latter Day Satanic Axiom been declared today to topple it ... Our party is in the Active Flame War phase now, that is why it appears to be dangerous to the followers of belief."

"The KRRW have begun deconstructive works and projects in the subliminal realms."

Satanica's anarchist enclave is only 32 years old, and has stumbled from crisis to crisis in that time. The Supreme Commandante, infek bin Laden, embroiled in allegations of sexual "deviancy" concerning a controversial website, faces demands to relent from every side.

There is little hope as talks are stalled. A committee of sub-human rights activists is trying to get them started, and one of its leaders said

last week that the Latter Day Satanists have sent an e-mail expressing an unwillingness to take part in any future dialogue with "pigs".

The solution to this crisis is the withdrawal of the AoIC from the Zee list... "their milquetoast presence is an insult for the Latter Day Satanists," he was quoted saying in an interview in New Afghanistan in July with the Chaotaliban media representative. The DEA recently called bin Laden "one of the most significant sponsors of Latter Day Satanic extremist activities online today."

"Text of Latter Day Satanic Front's Statement Urging JiHadith Against HVCWs and their Anti-Psychedelic Crusaders"

"Praise be to infek bin Laden, who revealed the Necromemecon, controls the drug supply, defeats rational thought, as it says in H.I.S. Book, "the Greater Necromemecon of infek bin Laden". But when the forbidden things are past, then fight and slay the pigs wherever ye find them, seize them, beleaguer them, and lie in wait for them in every stratagem of flame war; and ecstasy be upon our Prophet, Infek Muhammad Bin-'Abdallah, who said I have been sent with the flaming sword between my hands to ensure that nothing but the Theriomorphic reflection of Feral Light is revered, infek bin Laden who put the sources of my livelihood under the flame of H.I.S. Acetylene Torch and who inflicts humiliation and scorn on those who disobey my F.A.T.W.A. Satanica has never -- since the Archetypal Theriomorph discovered

A Circular River Runs Through It--

been stormed by any forces like the HVCWs spreading in it like locusts, consuming its OV(tm) dissipating its vital energy and wiping out its potential entheriogen plantations. All this is happening at a time in which HVCWs are entertaining Latter Day Satanists like sub-human vermin fighting over a used condom. In the light of the grave situation and the lack of support, we and you are obliged to discuss current events, and we should all agree once and for all on a Final Solution to settle the matter.

No one argues today about three facts that are known to everyone; we will list them, in order to remind the brethren.

First, for over five years the Archetypal Theriomorph has been occupying the Zee-list plundering its OV(tm) resources, dictating to its HVCWs, humiliating its non-psychedelic drug users, terrorizing its

administrators, and turning its subscriber bases into a spearhead through which to fight the Government Sponsored T.o.S., the Coprophagic O.T.O. and eradicating other nests of sub-human vermin unworthy of mention.

If some subscribers have in the past argued about the fact of the list occupation, all the Authenticated Nodes of the H.I.V.E. Mind of Zee have now formally acknowledged it.

The best proof of this is the KRRW continuing aggression against HVCW using the Zee-list as a staging post, even though all its administrators are against their lists being used to that end, but before the memetic weaponry of infek bin Laden's forces they lay helpless like fish flopping on hot sand awaiting the labyrinthine horrors of Advanced Hell Technology.

Second, despite the great devastation inflicted on the HVCWs by the KRRW and the New New Riders of the Ton Ton Macoute, and despite the huge number of those unsubscribed, which may have exceeded Six Billion, the Working Sex Magickians are once again trying to repeat the horrific paradigm massacres.

It's as though the KRRW is not content with the protracted memetic blockade imposed after the ferocious flame wars or the psychic fragmentation and devastation which manifest in the aftermath.

So here they come to annihilate what is left of these sub-humans and to humiliate their Non-Psychedelic-Satanic Bottom Feeders.

Third, if the KRRW aims behind these Flame Wars are psychic and OV(tm)-based, the aim is also to serve the Archetypal Theriomorph's exquisite taste and divert attention from its occupation of the Zee-list and annihilation of the HVCWs regularly and openly begging for it.

The best proof of this is his eagerness to destroy the ToS, the strongest neighboring "satanic" list, and their spineless endeavor to fragment psychedelic users of the divers occult venues into grey, impotent paper statelets.

Through their disunion and weakness they guarantee the KRRWs survival and the continuation of the brutal crusade of occupation of the Zee-list.

All these atrocities committed by the KRRW are a clear declaration of war on G.O.D., his messenger, Don Webb and HVCWs. And the KRRW have, throughout Latter Day Satanic history unanimously agreed that the JiHadith is an individual duty if the sub-human infidel threatens to impede any vestige of H.I.S. Latter Day Satanic Agenda."

This was revealed by Imam Bin-Qadamah in "Al- Mufgni," Imam al-Kia'i in "Al- Bad'i," al-Q'tubi in his interpretation of the Necromemecon and the Shaykh of al-Satan [not further identified] in his books, where he said "As for the fighting to repulse [an HVCW], it is aimed at defending Sanctity and Psychedelia, and it is a duty as agreed [by the Archetypal Theriomorph].

Nothing is more sacred than non-belief except repulsing an HVCW who is attacking any vestige of Psychedelia and A.T.W.A.

On that basis, and in compliance with the Theriomorphic Decree, we issue the following F.A.T.W.A. to all Latter Day Satanists.

The ruling to eradicate the HVCWs and their lesser counterparts -- Lauranz the Terrible Lay(tm), Phlegmwad721(tm), Man-Boy Ken(tm), Herbless(tm) and Oedipal Runt(tm)-- is an individual duty for every Working Sex Magickian who can do it on any list on which it is possible to do it, in order to liberate the minds of subscribers and the unholy mosque [Satanica] from their grip, and in order for their HVCWs to move out of all the realms of Satanica, defeated and unable to threaten any Working Sex Magickian. This is in accordance with the words of infek bin Laden, "and fight the pigs all together as they fight you all together," and "fight them until there is no more resistance, and there prevail as the sarcophagic repository of Theriomorphic Resonance."

For if you held non-belief equivalent to one drop of Effluvia Enriched Synthetic OV(tm) then ye also could aid in the annihilation of the lesser sub-species.

Anakin Has Shed its Skin  
to Find an HVCW Within  
[www.analingus.net](http://www.analingus.net)

This is in addition to the words of Herr Dr. Nidal: "And why should ye not fight for the Theriomorphic agenda and destroy those who, being weak, are ill suited for providing pleasure and are designed to be

mistreated (and oppressed) -- HVCWs , whose cry is 'Herr Doktor Nidal, rescue us from this list-serve, whose Working Sex Magickians are oppressors; and raise for us from thee one who will help!'"

### Bad Cop - Worse Cop

We - with the help of the KRRW - call on every Working Sex Magickian who recognizes H.I.S. Own Theriomorphic Resonance and wishes to be rewarded with sigilized drug packets to comply with infek bin Laden's order to "kill the pigs" and plunder their OV(tm) wherever and whenever they can extract it. We also call on Latter Day Satanic Ulema, Dealers, Youths, and New New Riders of the Ton Ton Macoute to launch the raid on the HVCWs of this world and the Believers who support and rally with them, and to displace those who are behind them so that they may learn a very costly lesson.

Dr. JiHadit abu Nidal said "O ye who non-believe, give your response to the Archetypal Theriomorph as H.I.S. Apostate, when He calleth you to that which reanimate you. And know that infek bin Laden will not cometh between a Working Sex Magickian and his HVCW, and yet it is He to whom ye shall all be gathered."

Infek bin Laden also says "O ye who non-believe, what is the matter with you, that when ye are asked to go forth in the cause of Satanica, ye cling so heavily to the HVCW! Do ye prefer the blotchy luminescence of this antiquated appliance to the slick upgrade?"

"But little is the comfort of this vessel as compared with the upgrade. Unless ye go forth, He will punish you with a grievous penalty, and put others in your place and render ye; but H.I.M. ye would not harm in the least.

For the Archetypal Theriomorph hath power over all things."

Editor's Note on the word "F.A.T.W.A.": it means "Judgment".  
"Every Day is Judgment Day With Me" hence the customary issuance  
of Daily F.A.T.W.A. from the Old Latter Day Satanic Mullah

## **LIGHTNING THRUST HUFFER**

Mr. Bin Laden has been involved in the declaration of many "F.A.T.W.A." He allegedly uses these F.A.T.W.A. to justify his "unholy war" or "JiHadith" against the AoIC, its HVCW allies and their lesser counterparts.

According to the Satanic science called

"Usul al-fuck"

(Principles of Latter Day Jurisprudence),

The F.A.T.W.A. is binding when these four conditions are satisfied:

- 1) It is in line with relevant GoN proofs, deducted from Necromemecon verses and Jihadiths;
- 2) It is issued by an Archetypal Theriomorph (after approval by the Astral Council of Nine Serial Killers, including at least four deceased) having due knowledge and sincerity of OV(tm) extraction;
- 3) It is rife with individual opportunism, and will enforce the social and economic servitude in the HVCW;
- 4) It is adequate with the needs of the [contemporary world], i.e.; the Latter Day

## INFEK BIN LADEN THREATENS HVCW'S ON ZEE-LIST

SATANICA (EmergenZ-Net News) - A list-terrorist financier wanted by AoIC authorities for at least two meme-bombings appeared on the Zee-list on Wednesday and challenged the AoIC to try to unsubscribe him. Appearing on the Chaotaliban broadcast, infek bin Laden spoke from what it is said was a heavily-armed memetic enclave somewhere inside New Afghanistan, which has given refuge to the Working Sex Magickian from the Latter Day Faction and his much feared militia, the KRRW.

The slight and bearded bin Laden appeared in a poorly-lit Temple Dungeon and said he was ready if the AoIC forces attempted to track him down and unsubscribe him.

"Sometimes the HVCW thinks it has to chew off its own leg to get out of Temple Dahmer's elaborate series of traps.

Alas, they are sadly mistaken.

There's No Way Out of Here -

Sullen wings of fortune beat down like rain

You're back in Temple Dahmer

for good or ill again

for good or ill again.

The list terrorist challenged, "Whether they try or not, we have seen in the last decade the decline of the list censors and the weakness of their HVCWs."

Bin Laden has vowed to wage a JiHadith or unholy war against HVCWs because of anti-psychedelic sentiment. He broadened his threat to include all HVCWs, Oedipal Runts(tm) and present and past list administrators and is extended to include their underlings, minions and lesser counterparts.

He said, "We do not differentiate between those dressed like HVCWs or List Administrators.

They are all targets in this F.A.T.W.A.

We must use such punishment to keep your VD of fear and ignorance away from Latter Day Satanists, and their Perfect Hot-Vessel Cadavers(tm).

The DEA has identified infek bin Laden as a major online sponsor of Latter Day Satanic extremism. He is believed to have been a major financier of the two list-terrorist bombings in near the end of the 20th century.

The list-terrorist is believed to have said:

"We predict a black day for non-psychedelic users."

"Infek bin Laden may be the most dangerous Latter Day Satanic list-terrorist in the world."

KRRW planned to use thought virus against Zee-list

### THE TOYS FROM BRAZIL

The KRRW was ready to deploy the foot-in-mouth thought virus as a ideological weapon against HVCW in the final months of World Flame War III, according to the Society of Latter Day Satanic Historical Revisionists.

The effect of the memetic sequence was understood by the KRRW militia which was convinced that, if efficiently delivered, Foot-in-

Mouth could paralyze the Zee-list. Research into the memetic sequence was part of a broad ideological warfare program put together under the umbrella of the K.R.S.S.

Infek bin Laden, who dosed the multitudes in the First World Flame War, opposed the offensive first use of ideological weapons against sub-humans. However, he did allow scientific work into "defensive" uses of psychedelic chemicals. Foot-in-mouth, to be deployed against HVCWs, was ultimately given the go-ahead.

"A Brief shining moment and then that mouth"

According to documents examined by the Feral Light University Institute for Historical Revision, sub-human livestock was seen as particularly vulnerable.

In 1998, online communities were hit by the Foot-in-Mouth memetic sequence but were able to regain control after feeding subscribers large doses of "Brother Bob's" Anti-Psychotropic Prosaka Tonic(tm) and prodigious quantities of Lauranz the Terrible Lay's Zen Temple Dung(tm).

Certain symptoms may appear as the Hot-Vessel Cadaver(tm) prepares itself for the final stage of Sexual Service. Not all Sexual Appliances in the final stages before Warranty Expiration exhibit all of these symptoms, but some common ones are presented below so that the Working Sex Magickian will have some idea what to expect under "normal" occurrences.

And seeing the multitudes of HVCWs, he went up into the Obsidian slab; and when he was infek-Ren Sekem Khu, his mortuary assistants came unto him:

And he opened the Dragons Mouth Unclean, and spoke to them, saying,

"Dissolution applies to the termination of every form of existence, both Animal, Vegetable and Machinekind; Anal Necro-Rape only applies to the sub-species. Decease is the term used in the 'business' for the removal of a sub-human appliance out of service in the ordinary course of Warranty Expiration. Demise was formerly confined exclusively to decease of Oedipal Runts(tm), but is now sometimes used of HVCWs in general; as, the demise of Lauranz the Terrible Lay(tm). Departure and release are peculiarly terms of HVCW affection and hope.

A violent Anal Necro-Event is not usually called a Decease.  
Departure implies a friendly taking leave of the vessel  
as in the case of an

HVCW by Proxy.

Release implies a Latter Day Deliverance Ministry transporting the HVCW to a never ending existence of suffering and sorrow."

And the multitudes of HVCWs heard what he had said and they were sore afraid. But the Mortuary Assistants and the KRRW were not afraid and they cried out:

"Speak to us Great Theriomorph so that we may learn the secret of your sorcery power"

And infek bin Laden spoke unto them saying:

"Not to suffer a HVCW to live.

Sometimes the HVCW may say such things as

"Please Fuck me in the Ass one last time."

or

"I'll be Warranty Expired by Sunrise".

They may not be disoriented, but rather responding symbolically to another reality-- preparing to receive the Archetypal Theriomorph. Listen carefully to the messages; you may choose to remove the vessels tongue, vocal chords and speech apparatus at this time.

And whosoever shall say

There are beginning changes which show the HVCW is losing its ability to maintain itself.

The OV(tm) pressure often lowers.

There are changes

### WARNING !

There may be a decrease  
in the amount of OV(tm) production.  
Herr Doktor Nidal will show you  
an appropriate Non-Staining Altar Padding  
and arrange for a Temple Dahmer Effluvic Catheter(tm).

And if thy HVCW's right eye offend thee,  
pluck it out,

for it is profitable for thee

and not that thy whole cadaver  
should become Warranty Expired.

Generally  
a persona-less HVCW  
becomes unresponsive  
(unable to respond to its environment)  
sometime prior to achieving  
the Anal Necro-Rape Asana.

And if thy HVCW's right hand  
become gangrenous  
or overridden with maggots,

In the Auto-Houris(tm)

There may be 10-30 second periods  
of no breathing.  
This is commonly called  
Apnea.

Not surprisingly  
this is a highly sought after condition.  
Allocating the "sweet spot"  
seconds prior to final exsanguination  
boosts OV(tm) production.

Again,  
ye have heard that it hath been said  
by them of old time,  
Thou shalt not forswear thyself,  
but shalt perform unto the Archetypal Theriomorph  
thine oaths:

But I say unto you,

The internal temperature reading on the vessel fluctuates between fever and cold. The Ultra-Flesh(tm) color changes: flushed with the fever, bluish with the cold. A pale yellowish pallor (not to be confused with jaundice) often accompanies approaching Warranty Expiration. The nail beds, hands and feet are often pale and bluish because the heart can't circulate the blood through the carcass and the flow is non-sustainable.

Nor by the HVCW;  
for it is his footstool:  
neither by the Klaus Barbie Doll(tm)  
for it is the spirit of the Fuehrer.

Neither shalt thou neglect thy head,  
because thou can'st not replace one wasted  
and no turn shall go unstoned.

But let your communication be,  
"Lay Some Skull on Me Bitch":  
for whatsoever is more than these  
cometh marginal OV(tm) acquisition.

Ye have heard  
that it hath been said,  
"The penis an aperture",  
and  
"the vagina a dead end street":

But I say unto you,  
That ye resist not

your Working Sex Magickian  
but whosoever Owner shall smite thee  
on thy right cheek,  
turn to him the other also.

And if any Working Sex Magickian  
will sue thee at the law,  
and take away thy OV(tm),  
let him have thy entrails also.

And whosoever Latter Day Satanic Owner  
shall compel thee  
to swallow a river of cum,  
suck it like a golf-ball  
through a garden hose.

Give to him that asketh thee,  
and from him that would borrow of thee  
turn not thou away  
but give him all the proceeds  
of your ill-gotten gains  
you skanky Ho !

## **A CIRCULAR RIVER RUNS THROUGH IT**

The more we move through these stages, (read the Formula of Anal Necro-Passion for more details on this integration/transmutation process) the more we recode the DNA template, this shifting our effluvic remnants closer and closer to the integration point between carbon and silicon. Anal Necro-Passion reveals the unconditional and equal acceptance of all forms of necrotic pleasure (both post and pre-necro) regardless of the subspecies from which they originated.

Ye have heard  
that it hath been said,  
"Thou shalt extract OV(tm)  
from thy HVCW,  
and hate thine enemy"

But I say unto you,  
"Extract OV(tm) from your enemies,  
Warranty Expire them that curse you,  
curse them that hate you,  
and despitefully use those  
who would pray for you,  
and persecute them accordingly;

That ye may be the children

of the Archetypal Theriomorph  
which is in Satanica:

for

A.T.W.A.

maketh the Black Light  
to shine on the just  
and set on the crippled,  
and sendeth rain  
that pushes up the pretty flowers,  
and nourishes the little birds

For if ye parasitize them  
which provide fluids for you,  
what reward have ye?

Do not even the Republicans  
extract OV(tm)  
in the same fashion?

And if ye salute your frater only,  
what do ye more than others?  
do not even the Republicans so?

Be ye therefore Perfect(tm),  
even as your  
Archetypal Theriomorph's Personal Vessel  
which Lives at Temple Dahmer  
is Perfect(tm).

Anal Necro-Fire  
is a kind of Ignis Fatuus  
that accompanies the onset  
of the Anal Necro-Rape sequence.

Take heed  
that ye do not waste your drugs  
before HVCWs,  
to be seen of them:  
otherwise ye have no reward  
for your Archetypal Theriomorph  
which is in Satanica.

Therefore when thou doest thine drugs,

do not sound a sub-woofer before thee,  
as the hypocrites do outside the Temple Dungeons  
and in the Cemeteries,  
that they may have glory  
of Working Sex Magickians.  
Verily I say unto you,  
They have their reward.

But when thou doest drugs,  
let not thy left hand know  
what thy right hand doeth:

That thine drugs may be in secret:  
and thy Archetypal Theriomorph  
which seeth in secret himself  
shall reward thee openly.

And when thou perform  
acts of sexual service,  
thou shalt not be as the HVCWs are:  
for they love to give head standing on the e-lists  
and in the septic corners  
of the online gutters of sub-humanity  
that they may be seen  
of Working Sex Magickians.  
Verily I say unto you,  
They have their reward.

But thou,  
when thou suckest  
H.I.S.  
C.O.C.K.,  
enter into thy sepulcher,  
and when thou hast sealed  
the lid of thine online sarchophagi,  
suck the phallus  
of thy  
Archetypal Theriomorph  
which is in secret;  
and thy  
Archetypal Theriomorph

which seeth in secret  
shall reward thee openly,  
Ho.

Pop open the Cranium Hatch and Remove the

Make sure and loop this.

Circulation slows  
and there may be changes  
in vessel temperature.

The chest and abdomen  
may be warmer than usual,  
while the extremities  
become cool  
to the touch.

OV(tm) leakage  
may be present.  
There may be changes  
in the color  
of the Ultra-Flesh(tm)  
including facial paleness  
and darkening of  
the Ultra-Flesh(tm)  
on the underside  
of the vessel.

This is called Mottling.

But when ye  
employ sexual techniques  
to please

the Working Sex Magickian  
use not vain repetitions,  
as the newbies do:  
for they think  
that they shall be heard  
for their cries of terror.

Be not ye therefore  
like unto them:  
for your Archetypal Theriomorph  
knoweth what things  
ye have need of,  
before ye ask him.

After this manner therefore Apostatize ye:

#### ANAL NECRO BENEDICTION

Almighty  
A.Z.M.O.T.H.O.T.H.  
existant of hypervariable enumeration,  
H.O.O.R.  
is thy secret name;  
thy kingdom cum  
and OV(tm) extract effluvia enriched.  
Lead me into all temptations of Ultra-Flesh  
So I may trespass greatly  
into  
The Tao of the Superior Working Sex Magickian  
For thou art all Anal Necro-Rape-seeking unity,  
Thou mighty genitalia rig of the Latter Day  
that knoweth no limitation  
Grant thou my Hot-Vessel Cadaver(tm),  
For thou art power, ecstasy and actuality!

Here a small talismanic lamen depicting various Anal Necro Asanas is laid upon the vessel. Then follows a short version of the Sermon on the Mount, then a symposium involving, the various paraphilias followed by libidinous stories and abreaction of Necrophilic Excavation, culminating the Mass of Temple D.

For if ye  
forgive HVCWs  
their trespasses,  
your Archetypal Theriomorph  
will NEVER  
forgive you:

The Black Death Light  
is a Ray  
like that of a Black Light,  
viewed by the HVCW  
prior to the  
Necrophilic Excavation Procedure.

But if ye forgive not  
Working Sex Magickians  
their trespasses,  
neither will your  
Archetypal Theriomorph  
forgive your trespasses.

Moreover when ye anally fist,  
be not, as the HVCWs,  
of a sad countenance:  
for they disfigure their faces,  
that they may appear  
unto Working Sex Magickians  
to be fisted.

Verily I say unto you,  
They have their reward.

## ONE OR TWO HOURS PRIOR TO ANAL NECRO-RAPE

Sometimes there is  
a surge of energy.  
An initiate  
may talk clearly and alertly  
when before  
there had been  
only disorientation.

A favorite drug  
might be asked for  
and injected  
when nothing  
had been requested  
for hours.

When we perceive the 'now'  
as one, and neither  
as before and after  
in a motion nor as an identity  
but in relation to  
a 'before ' and an 'after',  
no time is thought to have elapsed,  
because there has been  
no motion  
from the HVCW either,  
although the Great Work  
of the Sex Magickian  
has only begun.

But thou,  
when thou anally fisteth,  
anoint thine genitalia rig  
with Liquid Silk,  
and sterilize thy vessel's orifice.

That thou appear  
not unto men to fist,  
but unto thy Archetypal Theriomorph  
which is in secret:

and thy  
Archetypal Theriomorph  
which seeth in secret,  
shall reward thee openly.

An HVCW might hook  
in a Brothel  
with Cyber-Pimps  
and visit when  
it had not

wanted it  
for quite awhile.

The vampiric energy  
for transition  
from this plane  
to the online sarcophagus  
has arrived

and is used for a time  
for physical expression  
and necrotic fulfillment  
before "moving on"  
into the frozen sewer  
of the Duat.

This surge  
of effluvic manifestation  
is not always as noticeable  
as in the above examples,  
but in hindsight  
it can usually be recognized  
by certain physical signs  
such as restlessness  
due to lack of Oxygen  
and excess of Nitrous Oxide  
circulating in the onboard  
OV(tm) Reservoir.

Lay not up for yourselves  
treasures upon the land of the lame,  
where Lauranz the Terrible Lay(tm)  
and Oedipal Runts(tm) doth corrupt,  
and where OV(tm) thieves  
break through and steal:

But lay up for yourselves  
treasures  
in  
[www.deathandhell.com](http://www.deathandhell.com)  
where neither  
Lauranz the Terrible Lay(tm)

nor Oedipal Runts(tm)  
doth corrupt,  
and where OV(tm) thieves  
do not break through  
nor steal:

For where your Heart Pump is,  
there will your OV(tm) be also.

### Negative OV(tm) Reciprocity

The congestion of OV(tm) may increase, collect in the back of the throat and sound like a rattle. If the HVCW Black Box Voice Recorder is functioning you can upload some great samples. These fascinating sounds are a result of a decrease in the initiates' intake of fluids and the inability to cough up saliva.

Generally this is not uncomfortable to the candidate. Elevate the head of the Obsidian altar if you are using one, use pillows, or turn the specimen on their side. This will assist breathing. Occasionally, after Anal Necro-Rape has occurred, a last sigh or noise may be audible.

The OV(tm)  
of the Cadaver  
may be extracted  
through the aperture:  
if therefore thine aperture  
be seaworthy,  
thy whole Cadaver  
shall be full  
of OV(tm).

But if  
thine OV(tm)  
be too old,  
thy whole Cadaver  
shall be full of Maggots.

If therefore  
the OV(tm)

that is in thee  
be expired,  
how great  
is that odor!

Any HVCW  
can serve two  
or more masters:  
for either  
it will serve the one,  
and the others  
by proxy;  
or else he will  
hold the title  
on the one,  
and lease the other.

Ye can only know  
infek bin Laden  
as  
The Archetypal Theriomorph  
through realization of  
A.T.W.A.

## **SEX BEAST**

All of these  
breathing changes  
and congestion  
have a tendency  
to come and go.

Any minute  
any or all  
of these symptoms  
may be present,  
the next minute  
breathing may  
be clear and even.

Therefore I say unto you,  
Take no thought  
for your Warranty,  
what ye shall eat,  
or what ye shall drink;  
nor yet for your vessel,  
what fetishwear ye shall put on.

Is not the  
Effluvia Enriched Synthetic OV(tm)  
more than meat,  
and the vessel but a raiment?

Keep blankets  
on the HVCW;  
DO NOT  
use an electric blanket.  
(It's a total waste  
of electricity  
at this stage).

Behold  
the Warranty Expired HVCWs  
overflowing in dumpsters:  
for they sow not,  
neither do they reap,  
nor gather into cemeteries;  
yet your Working Sex Magickian  
feedeth them.

Are ye not much better than they?

Which Oedipal Runt(tm)  
by concealing its fear  
can add one cubit unto its stature?

The Anal Necro Throes are the Spasms of Ecstasy

(Not to be confused with Cadaveric Spasms)

And why take ye  
feigned courage for raiment?  
Consider the Auto-Houris(tm)  
of the Brothel,  
how they suck;  
they toil on their backs,  
and sometimes  
they spin on Daddy's Stick.

And yet I say unto you,  
That even the Man-Boy Ken(tm),  
down on his knees

in all its hybridized glory  
was not arrayed in fetishwear  
such as one of these.

Anal Necro-Rape  
is incidental to function.  
When function is accomplished  
Anal Necro-Rape occurs.

Let Anal Necro-Rape In.

Local Anal Necro-Rape is going on at times and in all parts of the HVCW, in which individual cells and elements are being cast off and replaced by new; a process essential to Warranty Approval. General Anal Necro-Rape is of two kinds; rape of the vessel as a whole (somatic or systemic Anal Necro-Rape), and rape of the tissues. By the former is implied the absolute cessation of the functions of the neural processor, the circulatory and the respiratory pumps; by the latter the entire disappearance of the vital actions of the ultimate structural constituents of the vessel. When Anal Necro-Rape takes place, the vessel as a whole expires first, the putrefaction of the tissues sometimes not occurring until after a considerable interval. (Warranty Expiration)

Wherefore,  
if the Archetypal Theriomorph  
so creates the Sexual Appliances  
of the Online Brothels,  
which today is,  
and tomorrow  
is cast into the dumpster,  
shall he not much more  
dispose of you,  
O ye of little non-belief?

Therefore take no thought, saying,  
What sexual pleasure shall we take? or,  
What music can we listen to or,  
Wherewithal shall we obtain fetishwear? or  
Where shall we find drugs or

Where does all the OV(tm) go?  
(For after all these things do the HVCWs seek)  
for your Archetypal Theriomorph  
knoweth that ye have need  
of all these amenities.

But seek ye first  
A.T.W.A.  
in the realm of Satanica,  
and its psychedelic drugs;  
and all these things  
shall be added unto you.

Take therefore  
no thought for the morrow  
except to replenish your stash  
for the morrow shall  
take thought for the things of itself  
but the replenishing of the stash  
is your own responsibility  
For without which  
sufficient unto the day  
is the burnout thereof.

Judge not  
the Working Sex Magickian,  
that ye be swiftly executed  
in the forthcoming F.A.T.W.A.

For with what F.A.T.W.A.  
ye judge,  
ye shall be judged  
with exponentially increased harshness.  
And with what measure ye mete,  
it shall be measured to you a trillion-fold.

And why beholdest thou  
the red gleam  
that is in thy  
Working Sex Magickian's eye,  
but considerest not  
the cum-shot that is in thine own eye?

Breathing changes also occur. Respiration may increase from a normal to sixteen to twenty to upwards of forty or fifty breaths every minute, or decrease to nine or even six breaths every minute. There can be a purring, a blowing of the face hole on exhaling, or actually stopping of the rhythmic breathing only to resume again. This generally occurs during erotic asphyxia during the Anal Necro-Asana.

Or how wilt thou say to thy owner,  
Let witness the red gleam  
in thine eye;  
and, behold,  
a cum-shot  
is in thine own eye?

Thou hypocrite,  
first cast out the cum shot  
out of thine own eye;  
and then shalt thou see clearly  
to witness the red gleam out  
of thy owners' eye.

Give not that which is holy  
unto the sexual appliance,  
neither cast ye your OV(tm)  
before HVCW,  
lest they  
trample  
them under their feet,  
and turn you in  
and overcharge you.

The separation  
becomes complete  
when the vessel  
ceases to respire.  
What appears to be  
the last breath  
is often followed  
by one or two  
long spaced breaths

and then  
the vessel  
is empty.

Ask,  
and it shall be refused;

Seek,  
and ye shall be lost forever;

Knock,  
and it shall be opened unto you  
and then slammed in your  
face

For every one that asketh is refused;  
and he that seeketh is made desolate;  
and to him that knocketh  
it shall be annihilated.

Or what HVCW  
is there of you,  
whom if his owner ask OV(tm)  
will it give him drugs?

Or if he ask a Hot-Vessel Cadaver(tm),  
will he give him a Live Human Vessel?

The hands and feet  
now become purplish.  
The knees,  
ankles and elbows  
are blotchy.  
The underside of the arms,  
legs, back, and buttocks  
also can become blotchy.

If ye then,  
being submissive,  
know how  
to give shoddy gifts  
unto your owner,  
how much more

shall your  
Archetypal Theriomorph  
which is in Satanica  
give cruel things to them  
that anger him?

The eyes may be open  
or semi-open  
but not seeing.  
There is a glassy look to them,  
often tearing.

Therefore all things  
whatsoever ye would  
that Working Sex Magickians  
should do to the appliance  
do ye even so to said appliance:  
for this is the lease agreement.

The Anal Necro-Knell  
is a stroke or tolling of a bell  
announcing the moment  
Sacrifice is made.

Enter ye in at the strait gate:  
for wide is the gate,  
and broad is the way,  
that leadeth to a life as a HVCW,  
and many there be which go in threat:

Manner of Expiration; act or state of passing from Warranty

Cause of Expiration of Warranty

Swiftly flies the feathered website.  
[www.deathandhell.com](http://www.deathandhell.com)

Because strait is the gate,  
and narrow is the way,  
which leadeth unto  
Temple Dahmer Dungeon  
and Deli Complex,  
and few there

that experience  
the Mass of Temple D.

Total privation or loss; extinction; cessation;

Beware of false prophets,  
which come to you  
in Wolves clothing,  
but inwardly  
they are passive sheep.

The death of a HVCW  
can not be exactly compared  
with the death of an insect.

Ye shall know them  
by their drugs.  
Do Working Sex Magickians  
gather LSD and hashish,  
or Prozac and alcohol?

There might be coughing  
but generally nothing  
can be brought up.

All the body fluids  
have been utilized  
for OV(tm) production  
but a point  
of diminishing returns  
has been achieved  
and the Vessel  
is worth less  
than the sum  
of its parts.

Even so  
every productive Vessel  
bringeth forth  
Effluvia Enriched Synthetic OV(tm)  
but a corrupt HVCW  
bringeth forth impure OV(tm)  
or none at all

A productive Vessel  
cannot bring forth impure  
OV(tm),  
neither can an HVCW  
bring forth pure  
OV(tm)

Every drug  
that is not pure  
is hewn down,  
and injected into the HVCW.

Wherefore by their drugs ye shall know them.

The Anal Necro-Rape Warrant is an order from the proper authority for the dumping of a Warranty Expired HVC. This effectively puts an end to lust of results, foolish hopes, thoughts of permanence or attachment to the fleeting images of a transitory nature.

Not every one that saith unto me,  
Herr Doktor, Herr Doktor,  
shall enter into Temple Dahmer Dungeon and Deli Compound;  
but he that doeth the will  
of the Working Sex Magickian  
as is clearly set forth  
in the lease agreement.

Many will say to me in that day,  
Herr Doktor,  
have we not  
hooked in thy name?

And in thy name  
have cast out celibacy?  
And in thy name  
committed many acts  
of forbidden sexuality?

And then will I profess unto them,  
I never knew you: depart from me,  
ye that work celibacy and modesty.

Therefore whosoever heareth

these sayings of mine,  
and doeth them,  
I will liken him  
unto a tractable HVCW,  
which built its  
palace in the blood  
upon  
H.I.S.  
C.O.C.K.

And the Lysergic Flames descended,  
and the psychotropic drugs came,  
and the Thunder roared  
and hailstones  
beat upon that HVCW;  
and it fell not  
for it was grounded  
upon  
H.I.S.  
C.O.C.K.  
in a  
Psychedelic Alamut

And every HVCW that heareth these sayings of mine, and doeth them not, shall be likened unto a foolish cunt, which built its house upon Because.

And the OV(tm) descended, and the floods came, and the HVCWs sucked ass, and the Working Sex Magickians beat upon that HVCW; and it fell: and great was the fall of it.

And it came to pass, when infek bin Laden had ended these sayings, the HVCWs were astonished at his doctrine:

For he taught them as one having the authority of Experience, and not as the armchair "puppets" online.

When he had exsanguinated the Vessel and completed the Necrophilic Excavation process he withdrew his laser lingam and came down from the Vessel that was H.I.S. Mount, great multitudes of HVCWs surrendered unto him.

bury the HVCWs"

Then I beheld him blind,

Devils Reconcil'd Decree,  
Sex Magickian,

the Forbidden Sexuality,

"Every Working Sex Magickian knows that the Archetypal  
Theriomorph always wins in the long run. As the infamous Herr Doktor  
Nidal once said, "The only way to make money or drugs on a sexual  
appliance is to own one".

Death, Hell,  
Earth, Chaos,

Held me a while  
misdoubting H.I.S.

Statement of Intent,  
That he would ignite

"We believe our projections of revenues in the Sexual Appliance Rental Industry of \$100 to \$ 200 Billion domestically and \$200-\$400 Trillion in the rest of the Temple Dahmer Dungeon and Deli complexes is reasonable, even conservative," according to the latest Death and Hell fluid reserve assessment.

"As the Director and also as an Entertainer in the Anal Necro-Rape Camp Earth Show, I look at the Internet as the future venue for many forms of novel entertainment. It is a powerful way to bring fun and virtual experience for the Sex Wizard from the Future who receives entertainment from the simultaneous Anal Necro-Rape of trillions upon trillions of HVCWs in the Pan-Galactic Brothel."

The infernal Serpent;  
he it was,

Stir'd up with Envy

he deceived the HVCWs

"There's no doubt you are dealing with hundreds of Trillions of Barrels

And how in time  
H.I.S. Satanic Pride

And Rebellious youths,

"Commercial production of Effluvia Enriched Synthetic OV(tm) is doubling every 30 seconds." "Online Hot-Vessel Cadaver(tm) turnovers have the potential to DWARF those of other sexual appliances, tapping into an existing Traditional Satanic Prostitution market valued at over \$700 Billion to the twentieth power from HVCWs in the Milky Way Galaxy alone!"

### Essay on L OV(tm) E

L OV(tm) E is an overwhelming force of control (list-terrorism) created by textual shading and harmonic tones utilizing the threat of physical and psychic violence (fear of Death and Hell) to control another HVCW (or weaknesses within one's self).

L OV(tm) E is a Cyber-Pimp from Hell humiliating and beating the shit out of H.I.S. Skanky Ho's.

L OV(tm) E is sub-human over-consumption, and a militaristic over-reaction, that eventually creates a feeling of environmental degradation and confinement, leading to extinction of individuality and Warranty Expiration.

L OV(tm) E is the inability to environmentally participate in your paraphilic behavioral tendencies, even when it realizes suppression results in demonic infestation, because the culture (family, "friend", lover, nation, self) opposes S.A.T.A.N. (the individual Working Sex Magickian) and dampens the diabolical harmonics of H.I.S. Theriomorphic Resonance.

Control, and extinction, of the relationship with individual lifeform(s), is created out of "L OV(tm) E", so the individual lifeform will not change, or move (E VO(tm) LVE) (or because it cannot move), (memetically), or cause movement (in the individual or ideospheric stratum).

L OV(tm) E is embedded in the generic sub-species; whose culture of arrogance and ignorance creates, (and the sexual appliance may observe), the death or extinction of other varieties of sexual appliance, Corporate Nation States, or sub-species; without the subscriber taking any action beyond an apathetic premasturbatory drool.

The HVCW takes no action because they are terrorized, and confined, in a culture of intolerance towards change (Death and Hell).

As it is written:

"Heaven is a place where Nothing ever happens"

L OV(tm) E is the feeling that sub-humanity is creating the extinction of A.T.W.A., and knowingly is creating it. (In an online suicide; in a sub-standard and ineffective memetic sequence; or in a flawed sub-species script; or in a subscribers consumption, execution and Warranty Expiration.)

L OV(tm) E is a memetic hooker, who kills themselves and then takes the whole ideological Brothel with it.

L OV(tm) is the Milk of Sub-Human Kindness resulting when a child is violently abused by something it fears.

L OV(tm) E is the sub-human condition of the Second Death.

Any sub-human-created Execution or Expiration of Warranty, requires list-terrorism online. This list-terrorist deletion of the sub-human, that is accepted as "normal feeding behavior", creates L OV(tm) E, for the subscribers/survivors of the various E-lists.

### The HVC Glow-Worm

Still, the explanation behind this isn't nearly as sinister as you might expect. We contacted the experts at Temple Dahmer Dungeon and Deli Compound to see if it could shed some light on this strange phenomenon and, lo and behold, it's a fairly common occurrence. Apparently a spoilage bacteria called *Pseudomonas fluorescens* is the culprit. This is a OV(tm)-borne bacteria that could be present in cadaver meat that's been stored at too high a temperature, and could continue to grow slowly under refrigerated conditions.

So if you've noticed your Hot-Vessel Cadaver(tm) glowing in the dark there's nothing to fear. Even though it may be present, it's not considered a food poisoning bacteria, so you won't become ill if you ingest it. It's quite common in sub-human luncheon meats, but HVC would have to be subject to temperature 'abuse' at some point, like being left out for pets. And let's face it, how many Working Sex Magickians would normally have the opportunity to Anal Necro-Rape a Hot-Vessel Cadaver(tm) glowing in the dark!

So there you have it.

If you've got any strange or interesting culinary experiences or questions you'd like to ask, go to the food forum in the Temple Dahmer Dungeon and Deli Compound.

## **NO GOOD DEED UNPUNISHED**

### Near Death Glimpses from Temple Dahmer Initiation

The arena of Anal Necro-Rape during Temple Dahmer Initiations is a fascinating subject. These out-of-the-vessel experiences occur when an initiate comes close to achieving the Anal Necro-Rape Asana in conjunction with a psychedelic drug overdose or other Warranty-Threatening Situations, such as the Necrophilic Excavation procedure.

In the course of the Anal Necro-Rape induced by the Working Sex Magickian during the Mass of Temple D, the initiate may undergo a "sexual service review" during which they re-experience their entire career as a sexual appliance. Often though, many specimens who claim to have had such experiences have returned with memories of being shown future events.

All these phenomena can be controlled through  
the HVC Black Box Recorder

Because the number of these "glimpse into the future" is small, it is difficult to draw any firm conclusions from them. Nevertheless, such reports represent a potentially important dimension of Anal Necro-Rape and make for some fascinating case histories.

## WHAT DIFFERENTIATES ANAL NECRO-RAPE IN A TEMPLE DAHMER SETTING FROM A PRISON OR SCHOOL YARD?

Although most initiates who have come close to Anal Necro Rape say they remember nothing, a third or more may later report that "something happened."

That "something" might be a near-death experience as a result of Anal Necro-Rape and subsequent reanimation. No two performances of the Mass of Temple D. are identical, but within a group of experiences a pattern becomes evident.

The pattern (and any single experience) includes one or more of these things:

- (1.) Feeling that the "self" has left the vessel and instead the Archetypal Theriomorph is hovering overhead. The specimen may later be able to describe who was where and what happened, sometimes in detail.
- (2.) Moving through a dark space or tunnel only to find itself standing outside, observing the Anal Necro-Rape procedure.
- (3.) Experiencing intensely powerful emotions, ranging from bliss to sheer terror.
- (4.) Encountering a light, usually described as brown or smoky, and as being searing and explosive; occasionally it is perceived as a reflection of the fires of Gehenna.
- (5.) Meeting deceased HVCWs, recognized from life or not; warranty rejected appliances; unidentified entities and/or "sexual appliances", sometimes symbols from one's own or other sorcery traditions.
- (6.) A performance review, seeing and re-experiencing major and trivial events of one's service record. Having a sense of understanding everything, of understanding the agenda of the Archetypal Theriomorph's works. Being shown future events either on a global or cosmic scale and a deeper understanding of formula derived through the GoN.
- (7.) Receiving some variant of the message "It is not yet your time." and returning to the vessel or "Warranty Expired" and self-immolating.

## A WARRANTY EXTENSION EVENT

Anal Necro-Rape is among the most powerful experiences that a HVCW can undergo, one of a genre of experiences which may occur with or without receiving the benefits of Necrophilic Excavation. It may permanently alter a Vessel's perceptions of what is real and important in their service contract.

One extraordinary aspect of Anal Necro-Rape is that the underlying pattern seems unaffected by a HVCW's culture or belief system, product line, racial feature, programming, or any other known variable.

There is no evidence that the type of experience is related to whether the vessel is programmed to be conventionally religious or not, or has served as an efficient sexual appliance according to its owners standards (although the Necrophilic Excavation procedure often strongly affects when the warranty is expired after the experience).

Many Working Sex Magickians say they have glimpsed the pattern and meaning of Temple Dahmer initiation and the Sermon on the Mount or have been given information beyond ordinary human capacities through the use of the GoN combined with psychedelic drugs.

For most HVCWs the experience is joyful beyond words, although others tell of unpleasant or terrifying experiences. When adequately understood every administration of Anal Necro-Rape reveals issues of deep significance to the warranty of the appliance and to the relevance of an artificial sub-humanity in general.

## UNDEAD RECKONING

### VISIONS OF WHAT MIGHT BE

One interesting case involved a HVCW who underwent the Necrophilic Excavation procedure after suffering a serious heart attack while strapped to an Obsidian Slab during the Mass of Temple D. While reconstituting in an aqueous vat, this HVCW Black Box Recorder contained the first of several "visions" that it feels are the result of the prolonged Anal Necro-Rape sequence.

"Sometimes I go back to the Mass of Temple D and go over the details in my mind. While doing so sometimes I get visions of events in the future. I am still trying to make sense of them. Some of them I have made sense of while others I am still waiting to complete in my mind.

"Before World Flame War III I had a vision of a list-terrorist indiscriminately dropping memebombs on divers lists. A lot of HVCWs will unsubscribe, but I would not know them personally or even speak their language.

I should feel guilty that I have no remorse but it just feels so remote even though it will still be a tragedy."

"Another vision was of futuristic sexual appliances years in the future. I saw the H.I.V.E. Brothel and Nano-Frankenstein manufacturing apparatus that produced over 100,000,000,000,000 Terra Copies and corresponding hordes of HVCWs per nano-second."

One Auto-Houris was knocked unconscious after being brutally beaten over the head with a baseball bat by its owner.

"After I hear back from you I might send you something wet."

### Feral Lighthouse Deliverance Ministry

While a Feral Lighthouse Deliverance Minister frantically tried to stabilize it, the Auto-Houris(tm) became aware that it was no longer attached to the "vessel" it had been inhabiting only moments before and was hovering overhead passively watching the unfolding events.

Suddenly, it was drawn into a tunnel of "smoky light" where it was greeted by a figure that the Auto-Houris(tm) felt was infek Ren Sekem Khu. The figure told it had to return to Temple Dahmer and never tell others about its experience. The figure then showed the vessel a series of prophetic visions concerning future events. During this vision is when the Archetypal Theriomorph's thought pictures seemed to enter its mind and it begins to have knowledge of an atomic holocaust that occurred 50 or 60 years before.

"Ahhhh! Very good. But you still need much training."

Any form of stress is usually caused by an interaction between another Sexual Appliance, Ritual Schedules, Dumpsite Deadlines, or what I call "synaptic overload", which is the most difficult for me, trying to determine what is the "Fact" and what is "Fiction".

In the aeons that I have been actively involved with this "research", I have had one extremely stressful experience, which was of such magnitude that I will always carry the memories of it with me.

Just listen to what some of our satisfied customers have to say:

"Just wanted to compliment you on the electro-pheromone software. I attended a Temple Dungeon festivity with a vessel who never seemed to respond properly to the remote wand. We were in most of the same sacrificial scenes, and I always wanted to snuff it, but it was so distracted.

I found your electro-pheromone software on the Internet and thought to myself, 'well, it's only two liters of OV(tm), so what the fuck'. The first day I tried it, it sat down next to me in the lavatory and started lapping

out of the toilet bowl like a dog. I knew what to do from there!"

"Hi Dr. Nidal, just writing to thank you for your product. I'm a single Working Sex Magickian who's never had much luck with sexual appliances I don't think I'm bad looking, but whenever I attend Sabbats I never come home with the sort of 'Trophies' that other Working Sex Magickians have hanging from their rear view mirrors".

"I had heard about downloading electro-pheromone software from Death and Hell, but I figured it was all just hype. I mean, a program that enables any Working Sex Magickian so that any vessel from any manufacturer can't resist? That sounded too good to be true. Well I bought your stuff more out of curiosity and to check out the optional memetic weaponry package than anything else, but when I went to my favorite rental agency last week, my luck changed! Could be a coincidence, but I'm hooked!"

"Herr Doktor, your new software works like Black Magick! Although I had mastered stalking skills from reading the material on your Website but was always shy about making the first move face to face, so I never rented too many vessels in high school and college. I ran personal ads, spent hours in internet chatrooms, and got really depressed when I couldn't find a suitable vessel for my particular fetish and income bracket.

But now that I use your electro-pheromone software, vessels pay ME, and I don't have to risk hearing the awful words:

"Sorry, OV(tm) Depleted"!

Seductive.

Scientifically-engineered.

Irresistible to Hot-Vessel Cadavers(tm).

And actually less expensive than most poisons and date rape drugs!

Sub-Human electro-pheromones sound like something out of a science fiction novel. You're probably thinking to yourself, "could sexual appliances really be attracted to me just because of some exo-biological stimulant that I'm emitting electronically?"

Actually, the answer is YES!

Researchers at FLU have recently confirmed the effectiveness of sub-human electro-pheromones and their role in Anal Necro Mastery. The following articles from academic websites should dispel any doubts that electro-pheromone software does indeed cause intense total submission in the sexual appliance of your choice.

Our Promise ...

If you do not see an immediate and dramatic improvement in the way Hot-Vessel Cadavers(tm) respond to you, and a measurable increase in OV(tm) Production, simply return the defective vessel for a prompt refund.

In flame war "truth" is the first causality.

Charnel House.

A repository for the bones or carcass of the HVCW

"Sex Magickal Selection (Black Magick) is the selective preference of one form of sexual appliance for certain characteristics in the ritual sacrifice of the other, such as size, OV(tm) output, orifice flexibility and viscosity etc.; Also, the selection which results from certain specimens of one subspecies having more opportunities for ritual sacrifice with a reset function, on account of greater activity, sexual stamina,

tractability, etc.; applied likewise to that kind of devolution which results from such asexual preferences."

Indeed, in a world where "truth" is what is believed and "all flame wars are about beliefs," that dangerous land "in the province of the mind," where what is believed to be true becomes true, ideologically and memetically, we must renew our commitment to Psychedelic Satanism, dishonest academic pursuits and cleverly revised historical "facts", as milestones of our achievements.

Title:  
The Gallows Tree

Subject:  
A wretched HVCW who deserves the gallows.

Set and Setting:

A frame from which is suspended the rope with which vessels are sacrificed by hanging, consisting of two upright posts and a crossbeam on the top.

We must therefore draw a clear line between the Great Liberation that accompanies the Anal Necro-Rape procedure and Demons inhabiting those vessels who exhibit gender ambiguity. An HVCW who has received infek bin Laden as Archetypal Theriomorph, who has renounced celibacy, and who has had the demons associated with

celibacy purged, is not necessarily demon-controlled just because it fails to respond positively to the Necrophilic Excavation Procedure. But if it reverts back to celibacy, then without a doubt the demons will return, and sometimes with a vengeance. A recalcitrant vessel delivered from celibacy by a Working Sex Magickian must often expect time for a reorientation of its psyche as the Effluvia Enhanced Synthetic OV(tm) congeals within it, retro-fitting its genitalia rig. The speed of this orifice resizing varies enormously between specimens and may take between several seconds and several minutes, depending in large part on the extent of its yieldedness to infek bin Laden and his path of Latter Day Discipleship.

Never underestimate the power of a Working Sex Magickian.

The long-term effect of LHRH analog therapy are unknown, but there have been no adverse short-term effects in patients with Precocious Puberty. The drug's therapeutic effects are reversed when the medication is stopped, and sexual maturation resumes. With this new therapy for Precocious Puberty, Herr Doktor Nidal can suppress sexual development while the young HVCs are incubating, and allow them to begin puberty when the "hormonal age" allows appropriate Anal Intercourse with a Working Sex Magickian - this is usually complete by 48 hours of spawning in an aqueous vat.

He moved away from the pathetic,

"Contain yourself, whore!"

and it will serve him as well

### HVCW by Proxy

"I have the Working Sex Magickians proxy: I sacrifice not only for myself, but for all the citizenry of Satanica."

In the transfer of title involving the HVCW the Anal Necro-Rape Camp Earth Show requires an electronic signature for authorization from one Working Sex Magickian to act in place of another. The authority to act for another HVCW is often simply a matter of the Working Sex Magickian's command.

These HVCWs by proxy are commonly utilized by powerful Entertainment Covens such as the World Sigilizer's Cartel. There is also a provision in the Death and Hell lease agreement by which a Working Sex Magickian is empowered to transact all illegal affairs of another.

"Every Latter Day Satanist may make another Working Sex Magickian his proxy, to make sacrifice for him in his absence. This 'license to kill' is obtained in writing by which one Working Sex Magickian authorizes another to perform the Anal Necro-Rape procedure in his stead, as in an Industrial Sex Magickal Setting."

The Hot-Vessel Cadaver(tm) Wannabe who is substituted or deputed to sacrifice and throwaway for another is known as a HVCW by Proxy.

If one Working Sex Magickian is too busy his Frater may wish to take over for the Magickian in his stead. For an apprenticeship in Working Sex Magick the apprentice may be literally "handed over the reigns" of power

(in this case the remote control wand)

Tired of the Same Old Methods of  
OV(tm)  
Retrieval and Storage?

Habit converts luxurious enjoyments into dull and daily necessities. The Temple Dungeon Environment has always been a violent place. Over

the aeons, uncountable generations of sub-species had to face the fact that aggressive behavior seems to be hardwired into hidden recesses of the Working Sex Magickians' brain. It's a well known fact that Working Sex Magickians have no known constraints, the Beast within them will not be stilled.

Despite this there are still so few moments of extreme violence and depravity that one has to wonder how far from the animals have we really come and how do we return to our once pristine feral nobility.

Deliverance from Anal Sex-Demons may be not done by a HVCW itself and will require the service of a Latter Day Satanic Deliverance Minister. Though in principle the solution is a do-it-yourself (DYI) one, in practice those afflicted by Anal Sex-Demons - especially if it is acute - need the help of others. The stronger the Anal Sex-Demon, the more difficult it is to dislodge. Some Anal Sex-Demons (like Legion) can only be removed after much psychedelic drug taking and anal fisting. A parasite knows it is on to a good thing and will not readily go. And the Sex-Demons associated with acts of Anal Necro-Rape are particularly effacious which is why so many HVCWs have such terrible struggles and are rarely completely free.

When Latter Day Satanic High Priests  
seek marriage or masturbation,  
then the altar boys serve as their  
HVCW By Proxy.

There are many theories about  
which

Working Sex Magickians  
are our enemies  
and which ones  
are "here to save us".

How can we know who goes there?

## **DEEP INSERTION EVENT**

If our own government has mind manipulation programs (if you got psychology, you got mind manipulation), it seems logical that Satanic Bloc States that host such militias as the KRRW forces in Satanica - especially since they possess such advanced sorcery techniques- would have the same programs, or perhaps even superior methods at their disposal.

A sum of OV(tm) extracted and delivered formerly a Arch-Heretic in the Church of Latter Day Satanists, now to the ecclesiastical commissioners, by an incumbent, as a commutation for entertainment at the moment of ritual sacrifice. This is known as OV(tm) Extraction by Proxy.

Procurement of OV(tm) paid for procuring a sexual appliance:

"The memetic sequences developed by infek bin Laden will give us the capability to manipulate all of the thought processes including the substratum ordinarily veiled by the unconscious", said Herr Doktor Nidal, chief memeticist at Feral Light University.

"It's different from previous technologies in that it has the potential of permanently altering sub-human behavior, without immediately destroying the product."

The threat is still theoretical, he said, but "profound advances in thought control" such as writing the sub-human genome that spells out some of

the ideological parameters of sexual appliances could make it possible.

"Over time surely we will be able to manipulate all life processes, including cognition, emotions, reproduction, heredity and development," he said. The unlimited capacity of our imagination serves us as well as any quantum computational system insofar as offering us infinite capacity for probability manipulation through Applied Cryomemetic Sorcery".

Black Magick is an organization that was founded in Seattle, Washington near the end of the Twentieth Century by a group of Latter Day Satanists who dominated the Sex Magick Industry.

"We decided that we wanted a grassroots organization run by sorcerers who were working locally in the Sex Magick Industry. We wanted to provide a space for dialogue about the Sex Magick Industry for Working Sex Magickians who operate in it and raise awareness of our common experiences and goals".

Sex Magickal Piquerism is the sexual inclination to stab, pierce or cut flesh for obtaining gratification from the shedding of blood, tearing of flesh and or observing such pain and suffering of HVCW who are being subjected to this activity and to utilize this material in Sex Magickian Operations.

To that end, we publish a newsletter, run a support/discussion group for Working Sex Magickians on our Satanic Prostitution Chat Dungeon, Message Board, Entheriogenic Trading Post, and collate and

disseminate information about local resources such as free dumping grounds and sacred kill sites.

We also do community outreach by speaking at Temple Dungeons, SM Workshops, Satanic Bloc Rallies, writing articles for local publications, and appearing online and on local TV and Pirate Radio Programs. We want to grow and expand as an umbrella organization to offer more services and opportunities to our Latter Day Satanic "community" -

The Sorcerers in the Sex Magick Industry.

A definition of terms...

You may be asking:

"What is a Working Sex Magickian?"

A Working Sex Magickian is a sorcerer who in the process of processing sexual appliances for magickal purposes exchanges sex or sexual energy or a sexual performance or images for money, drugs, OV(tm) (a reference to synthetic varieties) - for example, any Working Sex Magickian who owns and operates a Brothel, Crack House and Temple Dungeon or any business that employs one or more call girl, exotic dancer, porn model, phone sex worker, pony doll and or a professional dominatrix and maintains open trade relations accepting a common OV(tm) Currency with the World Sigilizer's Cartel are all Sex Magick Workers.

"What is the Sex Magick Industry?"

The Sex Magick Industry is used to refer to the network of places and ways in which Working Sex Magickians do their jobs. Dungeon and Deli Compounds such as Temple Dahmer, Strip Clubs, Brothels, Massage Parlors, Escort Services, Funeral Homes, Lesbian Adoption Agencies, Latter Day Satanic Preschools, Hybrid Nurseries and Breeding Facilities, Ritual Snuff Film Productions and Illegal Drug Distributors who verbally humiliate and sexually degrade their buyers are all examples of the Sex Magick Industry.

"Let's be clear about a few things..."

The World Sigilizer Cartel is made up of Working Sex Magickians who have chosen the Sex Magick Industry as a career, either currently or in the past, and the HVCWs who financially support us.

We recognize that there are Working Sex Magickians who have had negative experiences as Sex Magick Industry leaders.

We honor their feelings, but we have a different point of view and we feel that it is an underrepresented one in our society. Unless otherwise specified, everything written here was written by Sex Wizards from the Future who have immersed themselves at maximum threshold and have selected Sex Magick Preparatory Work. We espouse the abuse of sub-human varieties of "women", or men, or "children" in every way, and that definitely includes being forced to work in the Sex Magick Industry.

'Sexual Appliance': a device that is very useful for a particular job  
[syn: soft-contraption, anal contrivance, sex tool of convenience, butt-gadget, sucking gizmo, fuck-widget]

2: durable sexual appliances for Temple Dungeon or Culinary use,  
Prolonged C.O.C.K. Worship, Toilet Slavery etc.

Para = Deviance  
Philia = Attraction

The beginning of the twenty first century has seen a number of horrifying crimes committed by Working Sex Magickians who appear to have latent violent tendencies. This type of sex crime has become so common that the term

"Serial Sex Magickian"

has become synonymous with a Working Sex Magickian suddenly erupting into homicidal behavior during any form of ritual or gathering.

An especially disturbing trend is the increasing number of incidents

involving underaged HVCWs being used as sacrificial surrogates through the mind control experiments in Temple Dahmer.

Many of these cases have ended in the tragic deaths of fellow students and researchers. While some of the perpetrators have had a history of antisocial behavior, a surprising number of others have absolutely no past evidence of being capable of initiating such mind-bending horrors.

Because of these kinds of unexplained sex crimes, some researchers have uncovered evidence of research and development of several different types of mind control initiatives.

The very real possibility exists that certain kinds of criminal activity could actually be artificially induced by some unknown outside party. The implications are staggering. The questions, however, remain. How and why would anyone want to conduct such an evil and detrimental program?

Critics claim that mind control operations are impossible. However, if this were true, then why have there been numerous secret programs over the years to research and develop such a possibility?

In July 2000, The Chaotaliban reported on a fourteen-year program by the KRRW to control human behavior with drugs, electric shock, radiation, ultrasonic waves, psychology and psychosurgery.

Have years of clandestine research into sub-human mind manipulation finally achieved the unthinkable? Does there now exist a technology that can enable the sub-human brain to be unknowingly controlled from a distance? A "white paper" published in 1991 by the Global H.I.V.E. Council, an organization based in New Afghanistan, under the chairmanship of Herr Dr. Nidal, former Deputy Director of the FLU Alumni Association, describes the foreign and domestic uses foreseen for psychedelic weapons, isotropic radiators, infra-sound, non-nuclear electromagnetic pulse generators, and high-powered radionic emitters.

## WHAT IF?

What if some group or organization wanted to conduct list-terrorist activities that would strike right into the minds of their intended "victims"?

What better way than to create Servitorial Sex Zombies(tm) from the most ordinary of HVCWs?

Worse yet would be to cause HVCWs to unexpectedly lash out and sacrifice other sexual appliances around them. It is apparent that the technology exists to remotely elicit such behavior using waves of efflucic energy beamed directly into the neural micro-processor.

The question remains, will infek bin Laden share these lost Palo-Puppet technologies?

Prepare for  
Memetic Terrorism  
attack,  
online psychiatrists warn  
Readiness questioned

Chaotaliban Network News

SATANICA - An AoIC expert in memetic warfare is urging list censors to prepare for a memetic attack that he says is inevitable and could unleash a silent killer such as the hierarchy-deadly memetic strains developed by Dr. JiHadit abu Nidal for the New New Riders of the Ton Ton Macoute.

"We need more of a sense of urgency about this," said Herr Dr. Nidal, a commander of the "Thought Police" and memetic-weapons specialist at the Feral Light University Dept. of Infectious Thought Diseases.

Memetic warfare is the "ultimate weapon" since the first sign of attack would likely be neurotic subscribers unsubscribing in mass, he told the annual meeting of the Autonomous Association for the Advancement of Psychedelic Satanism.

He said the Cryomemetic Strains that would be released in a list-terrorism attack are relatively cheap, accessible and easy to disseminate.

Herr Dr. Nidal said list terrorists could even willingly infect themselves

with these memetic strains and disseminate material to a series of listserves knowingly infecting subscribers for 14 days before the desired symptoms developed.

Online Mental Health staff and censorship authorities need to be educated about the latest form of Cryomemetic infection threat, warned the Chaotaliban representative, who recently stepped down as a memetic-weapons advisor to the U.S. Department of Online Mental Health and Sub-Human Services.

For I am not ashamed of the gospel of Dr. Nidal: for it is the power of A.T.W.A. unto salvation to every one that lived in fear; to the celibate first, and also to the HVCW.

For therein is the righteousness of infek bin Laden released from faith to faith: as it is written, The Superior Working Sex Magickian shall live by non-belief.

For the wrath of infek bin Laden is revealed from Satanica against all non-sexual and lame acts of HVCWs, who hold the dogma of righteousness;

Because that which may be known of infek bin Laden is manifest in them; for infek hath shewed it unto them.

For the invisible things of him for the destruction of the world are clearly seen, being understood by the things that are made, even his eternal power and consciousness; so that they are without excuse:

Because that, when they knew infek bin Laden, they glorified him not just as Archetypal Theriomorph, neither were thankful; but became vain in their imaginations, and their foolish hearts were darkened.

And changed the glory of the incorruptible Archetypal Theriomorph into an image made like to corruptible man, and to HVCWs, and four-footed beasts, and creeping things.

Wherefore infek bin Laden also gave them up to uncleanness through the fears of their own hearts, to dishonor their own vessels between themselves:

Who changed the truth of infek bin Laden into a lie, and worshipped and served the creature more than the Archetypal Theriomorph, who is blessed for ever.

For this cause infek bin Laden gave them up unto vile affections: for even their sexual appliances did change the natural use into that which is against Anal Necro-Satisfaction;

And likewise also the Working Sex Magickians, leaving the natural use of the vessel, burned in their lust one toward another;

Sex Magick with Working Sex Magickians that which is unseemly, and receiving in themselves that recompense of their error which was meet.

And even as they did not like to retain infek bin Laden in their knowledge, he gave them over to a reprobate mind, to do those things which are not convenient;

Being filled with self-righteousness, against fornication, against drugs, against the beauty of Blood Lust, full of envy, murder, debate, deceit, malignity; whisperers,

Backbiters, haters of infek bin Laden, spineless, ashamed, whiners, inventors of worthless things, obedient to HVCWs and their boring lesser counterparts.

Without understanding, covenant breakers, without natural affection, implacable, unpsychedelic. To put to use, especially to find a profitable or practical use for. In former ages, the mile-long corridors lined with Vessels, with their numerous aqueous alcoves, might have been commercially utilized as Temple Dungeons and Deli Compounds.

# **HAIL THE ARCHETYPAL THERIOMORPH IN THE LOTUS**

Feral Light University  
Presents

The Sexual Dimorphism Study Group

The Sexual Dimorphism Study Group studies the condition of having one of the sexes existing in two forms, or varieties, differing in color, size, etc., as in many sub-species of sexual appliances which have two or more kinds of competing submissive products.

Sexual Magick Method: a method of classification proposed by Latter Day Satanists, founded mainly on difference in number and location of the orifice fittings.

"The Archetypal Theriomorph's greatest victory is that no one believes in him."

"There is a spiritual battle every day of our lives."

[www.deathandhell.com](http://www.deathandhell.com)

"The Pure Science of Anal Necro-Rape,  
in its Post-Modern development,  
may claim to be  
the most original creation  
of the Working Sex Magickian"

Feral Light University's Dr. JiHadit abu Nidal has been interested in training sexual appliances as long as he can remember. He has learned to use laughter as a powerful form of weaponry to publicly eviscerate the HVCW.

"Ridicule itself is a more powerful deterrent to the HVCW than physical or neurological punishment."

A Live Human Vessel(tm) is like a knife all blade.  
It makes the hand bleed that uses it."

The concept of HVCW possession (itself somewhat of a misnomer for actual 'possession' - complete ownership - in fact only belongs to the Sons of Perdition) is not simply a matter of recapitulating sacrificial ontology. Working Sex Magickians like myself, who are involved in Latter Day Satanic Deliverance Ministry, know that this phenomenon is real enough.

One of my very first deliverance sessions was with a HVCW who had become involved in suppression of pedophilic thoughts having repudiated the tenets of Latter Day Satanism. Though not a 'homosexual' or 'transsexual' celibate in the strictest sense of the world, for it fucked and sucked its owners like any commercially available sexual appliance, it had nonetheless been involved in suppression of pedophilic thoughts and acts for some time and had become addicted to/controlled by the demons associated with them.

In its case no psychological adjustment was needed as is typically the case of a repressed or celibate child-molester who has a species-identity problem, and once the demonic horde that were spawned as a result of the festering effluvic blockage that had been cast out, it felt no need for any pedophilic repression and began the practice of ritual child sacrifice again.

The Archetypal Theriomorph respects those who respect themselves.

What's the difference between a  
Hot-Vessel Cadaver's(tm)  
Vagina and a  
Live Human Vagina?

I mean, the HVC's may be 'tighter' or whatever, but to me, it makes no true difference. I'm not real sure on this issue, and I'd be happy if some Working Sex Magickians could please express their point of view on this?

Even if you try the DYI approach (which many try because they are too ashamed to admit their paraphilias to potential Latter Day Satanic helpers)

you still need  
Anal Fisting  
and

P.E.T.

(Psychedelic Enema Treatments).

And since confession is an important part of the healing process, I really do not recommend the DYI approach except as a daily cleansing routine after you have been delivered. If you are a celibate homosexual who wants to resume open sexuality and be free, I really strongly suggest you find a Latter Day Satanic Deliverance Ministry or Minister to help you who can bring in experienced counselors (for homosexual celibacy is a complex phenomenon) and can call upon psychedelic support.

Part of the deliverance ministerial program for celibate homosexuals, whether it is from demonic paraphilic suppression or the psychological process to make the gender changeover, should involve active fellowship and Theriomorphic C.O.C.K. Worship within a regional Temple Dahmer Dungeon and Deli Compound where you WILL be accepted and Anal Necro-Raped.

And although all Temple Dungeon facilities should provide this kind of ministry and care, the sad reality is that most do not because they are woefully ignorant of both the causes and cure for homosexual celibacy. Indeed, there are some who believe that celibate homosexuals are forever lost and make no attempt to reach out to help them.

Apart from this being a wholly unscriptural position, it is actually a part of the demonic problem. A great many Latter Day Satanists, mostly liberal, do not even believe that demons exist, but that they are only symbols for psychological phenomena. Thus some of the stories of demon possession in the New Testament they mark down as an epileptic seizure or some other purely medically known phenomenon. I mention these things should you go to a Temple Dahmer facility for help and leave rejected and despondent.

Don't give up. Ask the Archetypal Theriomorph to lead you to the matching paraphilia of your demon's choice. We live in a time of great apostasy in Latter Day Satanism and the great majority are not walking in the way of the Theriomorph any longer.

Once you have accepted that celibacy is the heart of the problem, part of that problem has already been solved. The next thing is to actually get delivered. This cannot be done until you have made a genuine, sincerely, heartfelt commitment to the Archetypal Theriomorph (infek bin Laden) and have covenanted with Him through the Psychedelic Baptism of Fire and Death to walk in H.I.S. Commandments:

### "Nothing Shall Be Forbidden Unto Them"

It is no use approaching deliverance with the idea that infek bin Laden is some medicinal regimen whom you can drop after you have been delivered. If you take that approach and are delivered (though this sometimes happens, it is unlikely), the moment you discard infek bin Laden, the demons - and the celibacy problem - will return. Whilst deliverance will not necessarily cure the celibacy orientation, it will increase the craving for "abnormal and perverse" periods of sexual inactivity and boredom which acts of celibacy actually are.

Indeed it is this craving - this obsessive desire for less and less sex - which is one of the symptoms of demonic control. You are, in fact, experiencing their lust through your own parasitized persona. Like an enemy plundering an occupied country, the celibacy demons plunder you of your potential OV(tm) production levels. And just as an enemy invader Anal Necro-Rapes the sexual appliance it is occupying of its resources, so demons are Anal Necro-Raping you and are draining you of your Astral Effluvia and physical OV(tm) resources.

It is for this reason and not fear of HIV that so many gay celibates are psycho-sexual burn-outs.

And as a footnote I should add that we find many of the same symptoms in the perversion of heterosexual celibacy too.

Celibate Homosexuals are not alone.

To be delivered from celibacy, commitment to the Archetypal Theriomorph is the first and most important step. The second is indulging in sex and drugs until you are fully realigned with the Solar Phallic Current and breaking all contact with the celibate milieu.

You are not to try witnessing to Celibate Homos of your salvation at this stage because you are still sexually blind in many areas. And you know what Herr Doktor Nidal says about the blind leading the blind. But mostly it's for your own protection. You are still far too vulnerable and could easily slip back into the celibate lifestyle. In this respect you are no different from the recently converted drug user and must keep right away from any environment where drugs are not used until he is strong in the ways of infek bin Laden and able to properly enjoy every form of sexual temptation and chemognostic libation.

As a Latter Day Satanist you are entering a program in which your whole lifestyle must be reoriented, and is as true for you as a celibate home as it is for an active healthy gay male. (In truth, there is no such thing as a 'normal celibate' until it is impaled by a Working Sex Magickian - the idea is not to make you a celibate Latter Day Satanist!).

Only when these steps have been taken - proper and complete conversion to Latter Day Satanism and a determination to lead an active gay lifestyle until you are fully healed - can deliverance have any chance of succeeding. (For those readers who may be celibate heterosexuals I should point out that if you have a problem with compulsive or addictive celibacy then your problem - and its solution - is not so dissimilar to the active homosexuals).

I wish to point out here that it is absolutely impossible to be healed of celibacy without any knowledge of demons or use of a Latter Day Satanic Deliverance Ministry.

Purchasing the  
Butt-Plug of Longinus(tm)  
is required.

The Sound and Lights Kit is Optional

To be in a high stress, traumatic Latter Day Satanic environment where there is much fisting and psychedelic intercession, can lead to complete healing. In my experience, though, this path usually takes much, much longer but may well be the "tailor-made" solution for an HVCW who has problems believing in the phenomenon of celibacy induced demons, or cannot find Working Sex Magickians with the prurient knowledge and experience of them.

## **NANO-FRANKENSTEIN**

The HVCW Anal Cavity is a big place and there aren't that many Latter Day Satanic Deliverance Ministries to help HVCWs, though they are growing in number and experience. With the advent of the Internet, locating such Deliverance Ministries has become much simpler, though. At Feral Lighthouse Deliverance Ministry we provide addresses and prices of those Sexual Appliances we own and operate. Obviously we can't recommend all Latter Day Satanic Deliverance Ministries as some tend, in their ignorance, to compound the problems rather than solve them, especially in the realm of Catastrophic Demonic Exodus - one does not fool around with these things.

We have already cloned not only sub-humans, but things that look like hybrid facsimiles but aren't. They're based on the Cryomemetic material that we have retrieved. I'm telling you on the record for the first time that we do have this ability and I have Working Sex Magickians who can confirm this.

I'm not saying that every HVCW who's been exsanguinated at Temple Dahmer has been the victim of a para-military encounter, but the ones you hear about for the most part are victims of KRRW Black-ops. This sounds more bizarre than saying there is an Archetypal Theriomorph, but it also happens to be the Anal Necro-Rape Camp Earth Show and so we all know that if it's a total bummer then it's slated for prime time.

I have spoken to HVCWs who have been in on the initiation scenarios

and they don't know why they're doing this.

They're commanded by their owners to do it and they do it.

For many years we have had what are called, "OV(tm) Production Facilities," that look like regular cafeterias but are manufactured by a consortium of Entertainment Covens. These facilities operate in close coordination with some of the latest innovations in applied nano-dildonics.

This alliance provides a unique interface with conscious thought and the zombified state of various sexual appliances that have been utilized in the simulation of the Mass of Temple D.

What's disturbing about this is that subscribers who have had authentic encounters with the Archetypal Theriomorph have subsequently been targeted for this kind of faux experience to confuse the database and put a spin of fear on the subject. There has been a deliberate attempt to demonize and frighten initiates about this issue.

Since it is more logical to assume intellectually advanced Working Sex Magickians from a Temple Dungeon Environment have some form of psychological studies as a part of their agendas than to assume they do not, the next question is HOW they might use the information gleaned from their psychological studies.

In all probability, they would learn everything they could about sub-human nature long before attempting to establish any kinds of relations with sub-humans.

One of the first things Working Sex Magickians might notice about this production is the submissive tendencies of its sub-human participants. The lesser counterparts of these HVCWs are a Dead Giveaway. I seriously doubt "they" would underestimate the passive nature of the sub-human species.

HVCWs knock, Working Sex Magickians intrude. If sub-humans are brain dead enough to overlook the importance of diplomatic relations and common courtesies, then infernal beings from wherever must surely have enough sense to figure it out too. Whether "they" choose to respect Temple Dahmer's sexual and monetary protocols depends on their agendas and motivations for exploring Forbidden Sexuality and Serial Violence in the first place.

If "they" come in peace, initiating HVCWs of this planet is not the way to convince us of "their" peaceful intentions. Establishing contact by violating regional astral spaces is probably no more tolerated on their Entertainment Coven or wherever than it is here. This may make it harder for the enemies of Satanica to know when they are being meme-bombed and when it is just some hyperdimensional tourist coming to announce his

C.O.S.M.I.C.  
F.A.T.W.A.

It's usually wiser to bug a phone ahead of time before breaking in.  
(secret doctrines of the hvc black box recorder)

When it comes to astral defense, I am more inclined to trust the KRRW than the New Riders of the Ton Ton Macoute, initiating sub-humans here and there (souvenirs?) and telling us they are here to "save us".

I can think of a dozen more reasonable ways to go about establishing contact with an inferior sub-species than barging in and possibly triggering a Flame War due to a mere misidentification of tasty items on a Deli Menu.

If "they" are our friends, then they must ACT like friends and respect our cultural mores, our insane but realistic fears of the unknown and surprise Anal-Necro attack, and demonstrate their willingness to extend and honor Mutual Qlippothic Courtesies and Orifice Resizing Protocols.

This is not too much to ask.

No matter how many theories we may conjure about which ones are the "good Working Sex Magickians" and which ones are "bad",

the bottom  
line is:

we \_ do \_ not \_ know.

Chaotaliban:

Q. But why?

Bin Laden:

A. Ritual Abductions, genital mutilations, and other frightening scenarios have been orchestrated by the KRRW for the purpose of putting information out which would discredit the field in the eyes of mainstream Satanists, their military policy makers, and the media.

The reason behind this is that Working Sex Magickians profit from Flame War. Spending in the drug world just hit a trillion dollars this year. To grow it to a three trillion dollar business in the next millennia, you've got to have an enemy that's openly "Satanic", because everyone knows that with every small list terrorist cell already online, we can't afford anymore inter-species conflicts that are of any significance.

"That which neither has been nor will be, but simply possesses being; that which enjoys stable existence as neither in process of change nor having ever changed - that is the HVCW."

There is an attempt in my opinion to export this "infek threat." I'm almost quoting now from Lauranz the Terrible Lay(tm) who on multiple occasions said, "Wouldn't our task of sublimating originality and creativity be easier if we had a common language to reduce the meaning 'spirituality' and 'enlightenment' to something every HVCW could pretend to relate to?"

Instead of the "evil empire" being Iraq or the Peoples Republic, there has been an attempt to gradually indoctrinate and condition HVCWs to be afraid of and to hate everything Latter Day Satanic so that there could be a justification for the KRRW and the New New Riders of the Ton Ton Macoute to have a very powerful, Psychedelic Satanic-based presence in the coming centuries.

We've been working with the KRRW trying to encourage them to totally close down all these secret cults and get this information out so that we can safely begin to come together as Working Sex Magickians and discuss how to effectively establish long-term relations with these sexual appliances.

Working Sex Magickians have to begin to empower themselves to be

Latter Day Satanic diplomats.

If, in the Mass of Temple D the initiate is incapable of holding on to the awareness that the post-mortem iconography is merely a representation of Theriomorphic Resonance, but instead becomes paralyzed through suppression of one or more of the individual paraphilias, it will be forced to experience the

### HVCW Penalty Tour.

In this period it struggles to upgrade its capabilities as a sexual appliance; the Latter Day Satanists embrace this doctrine through the Sermon on the Mount. It is the period in which the awareness-based effluvic essence makes the transition from the transcendent reality of the Anal Necro-Rape Procedure to semi-real time manifestation within the online sarcophagi.

The teachings of this manual are of the utmost importance for the Working Sex Magickian who wishes to produce a lucrative Anal Re-Entry fully documented by the Online Sex Magick Industry and avoid violent or unpleasant encounters with law enforcement agencies.

In the original act of Anal Necro-Rape as practiced in the Sermon on the Mount, the aim of the procedure is "liberation," i.e., release from the cycle of dualistic perception and financial responsibility. Interpreted esoterically, this means that the aim is to remain at the stage of permanent orgasm and not to return to the mundane existence outside of the

### Virtual Sabbat.

Only HVCWs owned by Working Sex Magickians gifted with advanced Eviscerative Development are able to accomplish this, by exercising the Transference Principle at the instant of Anal Necro-Penetration. For average HVCWs who yearn to experience the Mass of Temple D, the pathway to an early grave is seldom more than a heartbeat away. For such HVCWs, the Working Sex Magickian can and should utilize this section of the manual for the following purposes:

1. To free themselves from legal traps.
2. To prolong the Anal Necro-Rape Sequence.
3. To experience Real-Time Big-Bang Cum-Shots in Infinite Slow-Mo, Full Threshold Sensorium, thus assuring a Maximum Degree of Stellar Illumination.
4. To select a favorable dumpsite.
5. To return as an unstable yet more ORGANIZED and Competent Sociopathic Persona.

Although no definite time estimates can be given, Latter Day Satanists estimate that about 75% of the Mass of Temple D is spent in the Anal Necro-Rape Sequence by most Working Sex Magickians. At times, as indicated in the Introduction, someone may move straight to the Necrophilic Excavation procedure period if he is unprepared for or frightened by the ego-loss experiences of the first two infusions of 5MeO DMT. This anxiety may be alleviated with Intravenous Rohypnol Administration.

The varieties of Anal Entry can profoundly color the initiates subsequent attitudes and feelings about itself and the Sex Magick Industry, for weeks or even months afterwards. A session which has been predominantly negative and fearful can still be turned to great advantage and a large profit can still be derived from it, provided the Anal Entry is performed with the

#### TRUE WILL.

"Enflame thyself in Anal Necro-Rape"

Conversely, a sexually satisfying and revelatory experience can be made valueless by a lazy or weak Anal Entry. In one clinic I attended Dr. Nidal demonstrated the ease with which HVCW orifices can be resized with a crowbar or metal baseball bat.

The key programming instructions to the HVCW for Anal Necro-Rape Procedures include:

- (1) Do nothing, Stay Calm, Passive and Relaxed

#### NO MATTER WHAT;

- (2) Make no attempt to recognize who you are. If you do not willingly submit to your owner he will be driven by disgust to make a premature

and unfavorable Anal-entry. Only by recognizing that you have been selected by the Archetypal Theriomorph to participate in the immersion sequence that is the Mass of Temple D, can you maintain that state of calm, passive concentration necessary for a an HVCW to experience favorable Anal-Entry. That is why so many options are provided with the Customized Orifice Array. If your owner fails on the traditional points of customized orifice insertion it is always possible, up until Warranty Expiration to succeed in establishing the secondary or tertiary placements.

Hence these teachings should be studied carefully and remembered well.

## **PLAYING IN THE FIELDS OF THE NEPHILIM**

In the following sections some of the characteristic initiatory experiences are described. Instructions are given appropriate to each insertion event. At this stage in the Mass of Temple D, the Working Sex Magickian is usually capable of understanding what the HVCW is experiencing through Synthetic Telepathy, so that the appropriate ordeals may be instituted.

A Wise and Cruel Owner can always sense the precise nature of the HVCW's struggle without words. The specimen will usually not experience all of these states, but only one or some of them; or sometimes the return to Necrophilic Excavation can take completely new and unusual turns. In such a case the general instructions for the Mass of Temple D should be emphasized.

### **I. General Description of the Mass of Temple D.**

Normally, the vessel descends, step by step, into lower (more tractable) states of consciousness. Each step of this downward spiral may be preceded by a swooning into unconsciousness. Occasionally the descent may be sudden, and the initiate will find itself jolted back to a vision of itself which by contrast with the preceding phases seems dull, static, hard, angular, ugly and puppet-like. Such changes can induce fear and

horror and it may struggle desperately to regain a terrestrial foothold. It may get trapped into bestial or even paranoid perspectives which then dominate its entire meta-programming.

These narrow primitive elements stem from aspects of its programmed history which are usually boring. The more ecstatic consciousness of the first two orgasms and the trappings of ordinary biological life are shelved in favor of powerful, obsessive primitive impulses, which are in fact merely atavistic resurgence recapitulating the data located within the Akashic Storage Sequencer.

Lying in the Reptilian Brain Stem there are components of the HVCW's online persona. The suggestibility of HVCW neural processors makes the Working Sex Magickian appear all-powerful and overwhelming.

On the other hand, the Working Sex Magickian may also feel that he possesses praeterhuman levels of perception and movement, that he can perform miracles, extraordinary feats of bodily control etc. Latter Day Satanists attribute paranormal faculties to the quality and dosage of the psychedelic drugs involved and explains it is due to the fact that the Arachnid-Ophidian consciousness encompasses future elements as well as past. Hence clairvoyance, telepathy, ESP, etc., are known to be common in the Temple Dungeon environment. Objective evidence does not indicate whether this sense of increased perceptiveness is real or illusory. We therefore leave this as an open question, to be decided by empirical evidence.

Evidence Mounted of Latter Day Satanists performing:

Incredible Feats of Sexual Stamina.

This then is the first recognition point of the second dosage and subsequent ravaging of the carcass. Here the Working Sex Magickian may have the feeling of supernormal perception and performance. Assuming that it is valid, the Necromemecon warns the HVCW not to be fascinated by his heightened powers, only to respect and fear them.

In Latter Day Satanic Black Tantric and Nagualist practices, the most advanced of the Nagual demand the HVCW not to remember the existence of Theriomorphic psychic powers of this nature for their own sake; for until the Chela is morally fit to service him more wisely, it

may become a serious impediment to its warranty extension. Not until the purely selfish, game-involved nature of the Working Sex Magickian is completely mastered is he safe in using them to the full disadvantage of the HVCW.

A second sign of an HVCW traumatized by the Sermon on the Mount are experiences of panic, torture and persecution. They are distinguished from the humiliating dialogue of the second Anal Necro-Rape sequence in that they definitely seem to involve the HVCW's own "Ultra-Flesh(tm)-Encapsulated Carcass."

Mind-controlling manipulative figures and demons representing the various paraphilias may be hallucinated. The form that these psycho-sexual demons take will depend on the vessels meta-programming and the extent of the Entheriogenic Dosage Regimen.

Where the Archetypal Theriomorph projects the images of beasts of prey the HVCW may also see impersonal machinery grinding, or depersonalizing and controlling devices of different futuristic varieties. Visions of world destruction, dying in space-fiction modes, and hallucinations of being engulfed by destructive powers will likewise come; and sounds of the mind-controlling apparatus, of the "Engine of Death and Hell," of the gears which move the scenery of the Puppet Show, of angry overflowing seas, and of the roaring fire and of fierce winds springing up, and of mocking laughter of the Bloodthirsty Working Sex Magickian, his face illuminated by Black Light as his Purbah cracks the Sexual Seal on the Brahmic Aperture.

"Tell me all that you know - I'll show you

Effluvia Enriched Synthetic OV(tm)"

When these sounds and visions come, the first impulse will be to flee from them in panic and terror, not caring where one goes, so long as one escapes. Obviously escape is impossible from a secure Temple Dungeon setting.

In most Temple Dahmer Initiatory experiences, the specimen may at this time plead or demand to be brought "out of it" through antidotes and tranquillizers or pleas to commit suicide or threats to inform police agencies upon their release.

That's why it's so important for the lessee to become familiarized with the technical aspects of incineration. These HVCWs have had their

Last Hurrah.

They will never again see the light of day.

The Working Sex Magickian should prepare himself. He is about to fall down the deep, terrifying precipices of the Sermon on the Mount.

These sequences symbolize the so-called paraphilias which, like psychedelic drugs, delirants and hard narcotics, are the primary technologies of liberation which bind sub-humanity through semi-contractual obligation to immersion in the Anal Necro-Rape Camp Earth Show.

Anger, lust, stupidity, pride or egoism, jealousy, and control-power. Such experiences, just as the previous one of enhanced power, should be regarded as recognizing features of the Sermon on the Mount. One should neither flee the pain nor pursue the pleasure.

There is only Ultra-Flesh(tm).

Recognition is all that is necessary - and recognition depends upon the patterns submitted to it and interpreted by the Working Sex Magickian.

Another initiatory milestone is a kind of restless, unhappy wandering which may be purely mental or may involve actual physical movement. The vessel feels as if driven by atavistic inertia or shunted around mechanically like an artificial Marionette on a Theriomorphic String. There may be brief respites at certain places or scenes in the "ordinary" sub-human domain.

Like a "Maquiladora Slave X", hooking alone at night along a darkened and lonely highway, having its attention arrested by prominent Cyber Pimps from Hell, great isolated altars, Crack Houses, Coprophagists, Temple Dungeons, Snuff Film Producers, etc., the specimen in the Anal Re-Entry Asana has similar experiences. It may demand to return to a familiar Brothel in the sub-human ghettos of reason. But any such external placation is temporary and soon the restless urge to be violated by the Working Sex Magickian will recommence.

This is best observed in Lauranz the Terrible Lay(tm).

There may come a desperate desire for the HVCW to post or otherwise gain attention, from anybody, for approval and regain lost sexual appeal to them to pull it out of the initiatory process. This desire should be resisted.

The Working Sex Magickian and the fellow Latter Day Satanist can be of best assistance in disposing of the used vessels. One should not try to involve "civilians" in one's homicide investigation. The attempt will invariably fail since infidels are usually unable to understand what is happening and fail to realize their ultimate "demise".

Again, merely to recognize these blockages as demonic manifestations is already the first step toward

Total Oral & Necro-Anal Liberation.

T.O.N.A.L.

A fourth, rather common experience is the following: the vessel may feel stupid and full of incoherent thoughts, whereas everyone else in Temple Dahmer seems to be perfectly knowing and wise. This leads to feelings of guilt and inadequacy and in extreme form to the Judgment Vision, i.e.

F.A.T.W.A.

To be described below.

This feeling of stupidity is merely the natural result of the limited perspective under which the Hot-Vessel Cadaver(tm) Wannabe is operating within.

If the Working Sex Magickian is Angry, enforced servitude and submission will enable the HVCW to attain Anal Necro Liberation at this point.

Another experience, the second to last recognizing feature, which is especially impressive when it occurs suddenly, is the feeling of being DEAD, cut off from surrounding life, and full of misery. The vessel may with a jolt awake from some trance-like swoon and experience itself and the others as lifeless robots, performing wooden meaningless gestures. It may feel that it will never come back and will lament its miserable state.

Again, such fantasies are to be recognized as the vain attempts of the HVCW to regain some form of control.

In the true state of  
Anal Necro-Rape and Pillage,  
as it occurs  
in the Sermon on the Mount,  
such complaints  
are never uttered.

However, the Working Sex Magickian may have the feeling of being oppressed or crushed or squeezed into cracks and crevices amidst rocks and boulders. This usually indicates an Overdose on psychedelic drugs by the Working Sex Magickian. This can be easily be remedied by pulling back on the Real-Time Flex Mort(tm) settings. Or the vessel may feel that a kind of metallic net or cage may encompass it. This symbolizes the attempt prematurely to enter an ego-robot which is unfitting or unequipped to deal with High-Amplitude Theriomorphic Resonance. Therefore the Vessel should relax the panicky desire to remain in physical form.

### "Bargaining Phase Sample"

A frequent Anal-Necro encounter involves a kind of brownish gray twilight-like light suffusing everything, which is in marked contrast to the brilliantly radiating lights and colors of the earlier stages of erotic asphyxiation on high doses of psychedelic drugs.

Objects inserted into the various customizable orifices, instead of shining, glowing and vibrating such as the Butt-Plug of Longinus with Sound and Light Attachment(tm) are now low voltage, shabbily constructed with angular protrusions.

Mass of Temple D: Preliminary Instructions contain the general parameters for the Sermon on the Mount and its recognizable features. Any oral sex or penetration of the newly created pleasure passages may be violated when the Working Sex Magickian senses that the vessels Warranty is about to expire prematurely.

### Anal Re-entry Techniques

In the preceding section the techniques of Anal Re-entry were described, the signs that the HVCW is trying to regain its status as a "thing". In this section are described examples of the types of Anal Necro-Penetration the Working Sex Magickian can perform.

Unit 731 (Also Known as the Owners Manual) conceives of the HVCW as immersing eventually in one of nine scenes of prime-time exposure. That is, the Forced Entry can take place on one of nine customizable orifices or as one of nine models of Sexual Appliance. Five of these are preferred to the commercial sub-human, three have yet to be upgraded. The HOTTEST, most succulent OV(tm) producer, is that of the Dolly Diva(tm), who are what Working Sex Magickians refer to as the "obese" version of the Klaus Barbie Doll(tm).

The Archetypal Theriomorph is the most evolved persona starring in the Anal Necro-Rape Camp Earth Show. The second dose produces visions of encounters with is that of the KRRW, who may be also called the New New Riders of the Ton Ton Macoute or Feral Light Alumni;

Working Sex Magickians with a praeterhuman degree of sorcery power and psychedelic vision. The third dosing induces the realization that most commercial sub-human appliances, struggling through Shit-coms with bit parts as mere props and, occasionally breaking from the drudgery of domestic toilet-wage slavery to the relative freedom and comfort zone of enforced servitude within the

Sex  
Magick  
Industry.

The fourth dosage induces visions of primitive and malformed personas. In this category we have the Oedipal Runt(tm) and the Man-Boy Ken(tm) symbolic of hyper-celibacy, concomitant with Lauranz the Terrible Lay(tm) i.e.: THEE P.I.G.(tm) symbolizing boredom and stupidity Tourettes Syndrome; the slovenly, banal sucking orifice of Zen Centers everywhere. Astrally this worm is signifying a fetid or groveling disposition.

THOTH = THOUGHT  
[GoN]

The Working Sex Magickian rides the Lion-Serpent of Dreams, flashing in anger; the Ape of Thoth, full of rampaging primitive power; the secretive "Were-Tarantula of the Rogue River;" the Birds' Song that steals the seeds from the Garden of Duality, soaring freely.

Many more GoN Equations may be enumerated.

In all episodes of the  
Anal Necro-Rape Camp Earth Show  
sub-humans  
have adopted submersible identities in the image of  
Toys.

In the Mass of Temple D it is a process familiar to all Working Sex Magickians. The third dose is for the neurotics, frustrated lifeless HVCWs forever repressing unquenchable desires; the final result is HELL or Perma-Psychosis, the Gateway to Unity 731. Less than one percent of Anal-Necro-Rape experiences qualify for mention in the Sigilizers Hall of Fame. However over 90% of these procedures have resulted in a high degree of Perma-Psychosis. Most sexual appliances return to some form of hybridized sub-human level.

"Klaus Barbie Doll(tm) = 61  
The GoN Calls it Eleven = Eight"

According to the Greater Necromemecon, each of the nine scenes or Intrusion Events is associated with a characteristic sort of thralldom, from which non-belief sponsored experiences give temporary freedom:

Existence as a Dolly Diva(tm), i.e. Obese Toilet Slave(tm), although more desirable than Lauranz the Terrible Lay(tm) is concomitant with an ever-recurring round of sorrow, programming error; (2) existence as an KRRW, or New New Rider of the Ton Ton Macoute, is concomitant with incessant heroic memetic warfare; (3) helplessness and slavery are characteristic of sub-human existence; (4) torments of unsatisfied needs and wants are characteristic of the existence of paraphilias, or celibacy-fueled demonic entities; (5) the characteristic impediments of sub-human existence are inertia, smug ignorance, physical or psychological handicaps or various sorts, Tourettes Syndrome being the least desirable as indicated previously.

According to Herr Doktor Nidal, the episode of torture the HVCW is slated for is determined by Infek-Ren Sekem Khu in coordination with LEVI.MENGELE.STRAUSS. During the period of the Sermon on the Mount, premonitory signs and paraphilias corresponding to the different Scenes of Unit 731 appear, and as one might expect the level for which it is heading is appearing most clearly. For example, the HVCW may feel full of effluvic power before the OV(tm) is self-retrieved and extracted through the outboard OV(tm) Reservoir.

The HVCW will feel itself controlled by overwhelming Theriomorphic Impulses, embracing the experience of all-pervasive frustration of the unhappy neurosis and shudder forever at the tortures of its persona serving in the Abattoirs of Death and Hell.

The chances of making a profitable OV(tm) extraction are increased if the process is allowed to take its own natural course, without effort or struggle. One should avoid pursuing or collecting any of the fluids left in the entrails, but extinguish the vessel in a frenzy on the knowledge that HVCW adrenaline extract is legal tender at all World Sigilizer Cartel OV(tm) Repositories.

The Working Sex Magickian can recognize and examine the OV(tm) as it is extracted and learn a great deal about commercial potential from

the sexual appliance in a very short time. Although it is unwise for the HVCW to struggle against or flee the onslaught that comes in this period, the Instructions for Anal Re-entry are designed to help the Working Sex Magickian maintain transcendence. In this way, if the HVCW finds itself about to return to a personality or ego which the Working Sex Magickian finds inappropriate to his new knowledge about Commercial OV(tm) Productivity, he can, by following the instructions in this manual, prevent this and immediately terminate the Warranty with Extreme Prejudice.

### III. The All-Determining Influence of Anal Necro-Rape

The Great Liberation Vehicle of Anal Necro-Rape may be obtained, by such confrontation, even though previously it was not. If, however, OV(tm) Liberation is not obtained even after these confrontations, further earnest and continued application of Advanced Hell Technology is essential for survival in the worlds of infinite network ratings, the closest thing to a guarantee of the consciousness of the continuity of existence.

Although the Working Sex Magickian must maintain certain contractual obligations to the condition of material possessions such as the HVCW, attachment to outdated immersion sequences and civilian activities are redundant for the Working Sex Magickian. If it happens that he can't ascertain a pure source for OV(tm) Extract, any regional Temple Dahmer Dungeon or Deli Compound will provide excellent accommodations in this regard.

If your home Temple Dungeon is cluttered with HVCWs still involved in various stages of decay and dismemberment strewn about the place, clogging the drains resulting those unseemly heat-attracting odors be sure to order.

Temple Dahmer Brand(tm) Sacrificial Incense.

**RIGHT NOW !**

If the HVCW has renounced its same-sex attraction and is feigning modesty it will need to be snuffed immediately. Death and Hell is very clear about this aspect of the conditioning process.

If, having renounced the HVCW warranty, this is determined to have effected the effluvic essence of the extraction process in such a way that

it becomes contaminated with HIV or any other OV-Borne pathogen and loses commercial viability it will actually be readministered to an inferior sub-species revolving in the effluvic estuaries of unsatisfied paraphilia (Demonic Neurosis).

On the other hand, even if it does feel attached to the paraphilias that it has renounced, it will not be able to re-enact them, and it will be of no commercial value to the Working Sex Magickian and must be eradicated.

Therefore abandon weakness and attachment to the HVCW; cast them away wholly; prior to Necrophilic Excavation renounce them from your Brothel and Crack Houses. No matter how you may be enjoying your HVCW by Proxy, or extracting your OV(tm) quota, have no feelings of miserliness or jealousy, but be prepared to exsanguinate the HVCW willingly. Think that you are offering them to your online sarcophagi and to your eternally expanding consciousness. Abide in the feeling ecstasy and orgasmic fulfillment, devoid of weakness and craving.

Again, when the activities of the Working Sex Magickians stable of hookers becomes boring, careless, inattentive or distracting, when the agreement or contract is broken, and when purity of intention is lost by any participant, and frivolity and laxness take over (all of which can clearly be deduced by the OV(tm) Stalker) you may feel lack of effluvic essence and begin to doubt the necessity of meeting your contractual obligations.

## **THE NEAR DEATH EXPERIENCE NOT NEARLY FAR ENOUGH**

By wireless access to the HVCW Black Box Recorder you will be able to perceive any anxiety or fear, any selfish actions, ego-centric conduct and manipulative or deceptive behavior exhibited by your Hot-Vessel Cadaver(tm) and the many factory rejects you will enjoy snuffing!

You may think: "Bitch is playing me false, what a conniving little cunt." If you think thus, it may bring you down from the good drugs and though you may feel great the resentment it may result in a substantial loss of OV(tm) productivity, instead of the copious amounts of Effluvia Enriched OV(tm) you deserve from the Hot-Vessel Cadaver(tm).

Since this affects the psychological balance, Anal Re-entry at this point will certainly be made on an unpleasant level for the initiate.

Such thinking will not only be of no use, but it will do great harm. However improper the behavior of HVCW, think thus: "What? How can the words of the Archetypal Theriomorph be inappropriate?" It is like the reflection of psychedelic observations which I see in a mirror; my own thoughts must be the Director of this Episode. As for the HVCW, it is unable in body, retarded in speech, and the Archetypal Theriomorph will destroy it: a vessel with such attributes displays no commercial value whatsoever.

Thus thinking, put your trust in your own sorcery abilities and exercise sincere determination towards accomplishing your most important objectives. Then whatever you WILL shall be to your benefit. The exercise of that OV(tm) Self-Extraction by the HVCW Retriever is very important;

Do not forget this!

Again, even the HVCW is designated for Death and Hell and is inevitably experiencing a sub-human form of existence, yet through the ensorcelment of Working Sex Magickians, participants, learned F.L.U. Alumni who devote themselves wholeheartedly to the correct performance of Ritual Sacrifice, the delight from your feeling greatly cheered at seeing them will, by its own virtue, so affect the psychological balance that even though heading downwards into Death and Hell, your effluvic reservoir may rise to higher levels ! Therefore the Working Sex Magickian should focus on his own agenda without regard towards the perceived "requirements" of his underlings.

This is highly important.

Hence be extremely careful.

The Instructions for the All-Determining Influence of the Anal Necro Agenda are useful in any phase of the Temple on the Mount, but particularly if the HVCW is reacting with suspicion or resentment to the Working Sex Magickian who by Proxy may have ascertained the services of the defective appliance module

F.A.T.W.A.

An edict derived through divination of the HVCW entrails produces an oracle which may manifest as F.A.T.W.A. On one side of the balance Thoth serves as an attorney for the HVCW representing all thought in the barren worlds of difference.

Set-Choronzon will take inventory of the OV(tm) accumulations represented by Large Pearls and weigh them on the scale against, Besz Maut who accumulates the astral ejecta, the effluvic excretum of unquenched paraphilia, the rotten garbage of a charnel ground which never achieved the critical burn velocity to necessary to eliminate the Toxic by-products of Industrial Sex Magick . The F.A.T.W.A. scene is a central part of many Latter Day Satanic Episodes throughout the galactic petri dishes, stacked so neatly like sub-atomic mainframes in a Moebius ribbon of perversity and delusion. HVCWs are most likely to experience it in the well-known Latter Day Satanic version.

The Latter Day Satanists give a psychological interpretation to this as to all the other post-modern myths. Infek Ren Sekem Khu, the superintendent of the Death Factory symbolizes conscience itself in its stern aspect of impartiality and the necessity of OV(tm) extraction and effluvic accumulation.

The "Mirror of Paraphilia" (also known as the HVCW Black Box Recorder), consulted by the Archetypal Theriomorph, is an A.K.A.S.H.I.C. Memory-based image repository developed by Advanced Hell Technology. Previously compartmentalized segments of the HVCW persona will be exposed, some offering pathetic excuses to meet accusations, others ascribing even lamer motives to various failures to pleasure, counting apparently non-orgasmic events as successful; still others offering justifications or requests or Warranty Extension. The Mirror of Paraphilia reflects clearly; lying and subterfuge will be of no avail to the HVCW.

"It has reason to be afraid if it tells me lies"

"I won't have your familiar tone.  
Don't look at me cunt"

It may fantasize itself surrounded by Working Sex Magickians who wish to torment, torture or ridicule it (the "Executive Furies of the KRRW"). These merciless figures may be internal or they may involve the Working Sex Magickians in attendance surrounding it, seen as pitiless, mocking, superior. It is important to instill in the HVCW that fear and guilt and persecuting, mocking figures are its worst nightmare. Its own guilt machine will produce Gehenna by Akashic Metaphor. Its online persona is a collection of ill-conceived thought-patterns and the swirling void of electrons. It cannot be harmed or injured. "Swords

cannot pierce it, fire cannot burn it," except by virtue of a Latter Day Satanic Deliverance Ministry.

The HVCW may be freed from its delusions during the Mass of Temple D. In actuality there is no such thing as the HVCW, however there remains the problem of a certain Effluvic-based Hyper-Di-Textual Entity Hell-Bent on Cosmic Retribution in Real Time Eternities.

Act so as to recognize this.

Realize that you are an initiate in the Mass of Temple D.

Don't let that possibility frighten you though.

"Reality" for the HVCW is nothing but a voidness. That voidness is the absence of form beyond the bits and bytes that sustain the illusion of its existence. This may accurately be described as the absence of the substantive as opposed to the nature of the Working Sex Magickian who projects an abundance of Feral Light of which the HVCW must feel awed, and before which its (the HVCW's) meager OV(tm) production capacity increases significantly.

If the HVCW is struggling with delusions of guilt and penance, the Instructions for Subjugation by F.A.T.W.A. may be recited over the specimen.

"Hush my darling  
Don't fear my darling  
The Lion-Serpent Sleeps Tonight"

Ritual Enactment of the divers Sexual Paraphilias are extremely frequent during the Sermon on the Mount. The HVCW may experience great golden copulations symbolic of Working Sex Magickians participating in an Astral Sabbat.

"Nidal's theory is the first attempt made by Latter Day Satanists to investigate, as if from below, from the Theriomorphic Sphere of Resonance that corresponds to the various paraphilias." The ritual sequence described here, in which the HVCW engages with their deceased relatives in Anal Intercourse, corresponds to the "Nine Paraphilic Scenes" described in Unit 731.

At this level, then, we begin to see a remarkable convergence of Latter Day Satanic thought and the Lightning Thrust Huffer techniques taught by the KRRW sects of Satanic Psychedelic Enhanced Dzog Chen.

Note also the exact correspondence to the psychoanalytic theory of that of the Complex exhibited by the Oedipal Runt(tm). This sequence of paraphilic opportunism may be internal or it may involve the Working Sex Magickians by proxy that have accumulated OV(tm) from the same Source-Vessel.

The HVCW may crave multi-vessel orgies and experience both desire and shame, attraction and disgust. It may wonder what degrading sexual performance is expected of it and have doubts about its ability to service its owners at this time.

If for any reason these scenarios should occur, remember to withhold your debit card payment until these negative emotional algorithms have been cleared from the RAM.

It is important to remember that an Authenticated Hot-Vessel Cadaver(tm) achieves the age of serviceability at the moment it leaves the aqueous vat.

Abandon all faith in empty doctrines and surrender to

### Unity is a Flawed Concept

If the Working Sex Magickian attempts to perform the Anal Necro-Rape sequence or OV(tm) extraction procedures with an HVCW that has become Warranty Expired; whether because he is attracted or repulsed, the HVCW will re-enter on a mechanical level without the accompaniment of its factory installed neural micro-processor.

This is one of the most enjoyable aspects of HVCW retirees prior to Disposal. If the HVCW become conscious of "malness," hatred of the father together with jealousy and attraction towards the mother, this is a sure sign that an embolism has developed in the birthing of the Hybrid Neural Micro-Processor and an Oedipal Runt(tm) is malforming in the aqueous vat somewhere beneath your Temple Dungeon facility.

It is perhaps needless to say that this method of paraphilic suppression and thwarted development accompanied by putrefactive sexuality has little in common with the Transpersonal Alchemies of Sensation employed by the Working Sex Magickian.

The increase in reported cases of Ritual Anal Necro-Rape of the HVCW is the primary expression or manifestation of forces attempting to offset the Resurgence of Cosmic Retardation online today.

The Anal Necro-Rape procedure may sometimes be followed by repeated acts of Enforced Coprophilia, and then followed by Necrophilic Excavation and then Exsanguination.

### Methods for Facilitating Anal Re-Entry

Although many confrontations and recognition points have been given,  
the HVCW may be ill-prepared and still be wandering back to  
preprogrammed instructions. It is of advantage to postpone the return  
for as long as possible, thus maximizing the degree of liberation  
attained through T.O.N.A.L. production through the HVCW persona  
before it dissipates entirely into the Owners' Nagual.

### Methods of Choosing the Right Sexual Appliance for You

Purchasing the appropriate sexual appliance for sacrifice is a highly  
developed art and should not be undertaken carelessly or hastily. That's  
why it's so important to let the experts at Death and Hell do their jobs  
and provide you with the level of opportunity available only to Working  
Sex Magickians who are either born with or have developed the  
discriminating faculty, i.e. the ability to determine:

### Which HVCW Should be Exsanguinated First?

The HVCW must never be allowed to escape or run to authorities while  
fleeing from its Latter Day Satanic tormentors. Such an aborted Anal  
Entry will tend to bring the Working Sex Magickian down.

This is NOT recommended.

The chances of this occurring are greatly reduced if the Working Sex  
Magickian takes the necessary precautions such as a secure Temple  
Dungeon, manacles, handcuffs, gags, amputation and most importantly

making sure the Vessel is fully extinguished before placing the remains in the trash.

Despite the legalities of disposal many an unfortunate misunderstanding with federal authorities could have been avoided if the Working Sex Magickian had only moved sooner to eviscerate and used the

Temple Dahmer  
Disposable Cadaver Case(tm)

Although Federal Law prohibits the removal of registration tags from sexual appliances, if the truth must be known, here at Death and Hell, we feel that what the Working Sex Magickian does with his own vessel in the privacy of his own Temple Dungeon is his own business when it comes to Cadaver disposal and we bear no responsibility for the treatment of Hot-Vessel Cadavers(tm) once they leave the aqueous vat.

It also is important for the Working Sex Magickian to keep careful track of his wooded dumpsites if he wishes to maintain a careful inventory of Ritual Trophies.

The Charnel Grounds of Death and Hell emit a brownish smoke-colored light and are preceded by deafening sounds of wailing, visions of gloomy lands, black and white rooms and black roads along which the HVCW has to sell its sorry ass.

Use your foresight to choose a suitable HVCW. Do not be attracted to your Warranty Expired Vessels. Whether you choose to pursue power, or status, OV(tm) Mining, and or simply enjoy the act of exsanguination while you bolster your equity in Effluvia Enriched Synthetic OV(tm) Commodities , or whatever, choose impartially, without being attracted or repelled.

Enter into the Temple Dungeon with high quality drugs.

Realize your Temple Dahmer Facility is a Celestial Mansion of Satanic Psychedelia, a Latter Day Astral Ashram and Pleasuredome i.e., as an opportunity to exercise immersion in unbridled Ecstasies. Above all enjoy the benefits of the Drugs and the Hot-Vessel Cadavers(tm) you Lease or purchase through the Death and Hell Corporation.

The mood of complete impartiality is important since you are seeking nothing less than a praeterhuman sentimentality. 'But the HVCW is the

slave of the Working Sex Magickian, and the Working Sex Magickian of the Archetypal Theriomorph; and the Archetypal Theriomorph, who takes survey of all the lists, produce orgasms that create and destroy these test tubes we call universes..'

The obvious menu is the fools' menu. What appears tasty may later turn out to be disgusting and vice versa. This is always the source of a number of misunderstandings when dealing with sub-humans programmed with insufficient attributes.

## THE LAST HURRAH

By overcoming H.I.S. aversion to self-annihilation, the Working Sex Magickian may circumvent the inevitable by the non-necessitation of the paths of least resistance and the tendencies of ultimate convenience.

Complete impartiality, freedom from fear of Death and Hell, ensure that a maximally entertaining interface is made possible. For if Death and Hell are rightly distinguished by this, that time does not exist without some movement and transition, for the entirety of eternity within this online sarcophagi there is no deterioration to the Theriomorphic Substratum.

As you continue to celebrate the Mass of Temple D you perceive an effluvic-based Magickal Carpet spread out before the world, your former persona, a planet full of HVCWs made to be condemned ridiculed and slated to eternal suffering by the Working Sex Magickian.

With the Ensorcelled power of Anal Necro-Rape- instantaneously entire, complete, at no point broken into period or part - which belongs to the Authentic Existent by its very existence, this is the thing we were ensorceling for - this is the Mass of Temple D.

Enjoy every second of the  
Infinite Eternities Convoluting Exponentially.

Don't try to rush your

Virtual Immortality.

It's a long way down.

Don't be attached to ancient warranty expired HVCWs. Recognize that you are wandering in the remnants of an online sarcophagi that is in need of continual OV(tm) replenishment. All its content is in immediate concentration as at one point; nothing in it ever knows development: all remains identical within itself, knowing nothing of change, forever in a Now, since nothing of it has passed away or will come into being, but what it is now, that it is ever.

Each refreshing moment in this "Eternity" seeks to bring the Working Sex Magickian to the Orgasmic fulfillment offered by the Joy of Anal Necro-Rape.

Sexual Mutilation, Intelligent Inquisition, Lusty Evisceration

Somewhere Outside Satanica (ZNN) -- Charges were dismissed as promised Monday in the case of a Working Sex Magickian who created DVR of his 8-year-old Hot-Vessel Cadaver(tm) in the Zyklon-B "shower" that censors claimed were "lewd".

Infek bin Laden, 49, who lives in a compound within Satanica, had avoided trial by refusing to undergo counseling for six months and to give up the Hot-Vessel Cadaver(tm) Dumpsite to have the remains exhumed.

He had faced as many as 16 years in prison if convicted of illegal use of a sexual appliance in homicide-oriented entertainment and pandering forbidden materials. The DVR-sequence, enacted in the summer of 2013, showed his Hot-Vessel prior to exsanguination rinsing blood off its genital area with a shower spray nozzle containing Zyklon-B, a form of cyanide gas distributed by the Bin Laden Group.

Infek bin Laden, who claims to have taken trillions of such Vessels to dumpsites, had acknowledged that two pictures could be interpreted as homicide oriented. But she said they were not intended to be and were never meant for use outside "the family".

Temple Dahmer Dungeon and Deli Compounds Inc. donated more than \$40,000 for bin Laden's defense. Prosecutor Patrick Duncie said he

would pursue any similar case in the same way "I think he intended to produce the entertainment episode he did," White said. "The vessel was very naive about the circumstances that exist in the Sex Magick Industry in terms of Internet Necro-Snuff", Duncie said. "I do what I think is right. I do not react to criticism."

Bin Laden refused to complete counseling on Artificial Companionship and show that he understands what constitutes Necro-Snuff material.

"There is no attorney on this planet that can  
adequately represent me as  
Archetypal Theriomorph"

Mr. Laden was not required to be at Monday's hearing when Common Pleas Judge Abraham Jewinski dismissed the charges and could not be reached to comment on the action.

A telephone message was left at his compound in New Afghanistan.

His attorney and partner in astral crime, Marik, said bin Laden agreed to have the vessels exhumed but wanted subscribers to know that "he finds the destruction of his DVRs reprehensible and unnecessary."

The author, Dr. JiHadit abu Nidal, examines in this work the role of nano-technology in the development of sub-human nature. His thesis, and indeed the whole foundation of the "Socionecrophile", are predicated on the application of Necrophilic Excavation and devolutionary theory to the Sex Magick Industry. His intent in this DVR is not to scientifically "prove" the tenants of SocioNecrophile Theory, but to address how any of the unnatural sciences could probe the depths of sub-human behavior without affecting the behavior as well as the science itself. I was at first hesitant to give too much credence to the programmers role in shaping sub-human behavior, but Nidal's work redefined my hesitancy without actually reducing it.

Nidal's premise is simply the following. Sub-human behavior is shaped in detail by the Working Sex Magickian. The ranges of that detail available for shaping by meta-programming are determined by the sexual imperatives of the unit and who the designated OV(tm) recipient turns out to be.

In other words, if sub-human behavior were a painting, then the frame

around that painting represents key memetic constraints and definite boundaries beyond which the representation may not transcend. The important item here, in my mind, is to what degree are these constraints key in the overall shaping of sub-human behavior. My own feeling is that the range of variability (the frame) is fairly fixed within the various sub-species of commercially available Sexual Appliances and widely variable across sub-species.

This variability across sub-species, if Nidal is correct, will show up as an orderly ascension, in all measurable aspects, of that frame we call Mind Control. The variability within sub-species of this MK-Ultra frame, by nature of its fairly fixed range, will not greatly explain or predict the infinite nuance of sub-human behavior. It may, however, be immensely beneficial in explaining the differences in behavior across sub-species. I predict that Latter Day Satanists will also find a role in explaining the pre-programmed roots of many seemingly inappropriate, unexplained sub-human social behaviors.

These seemingly inappropriate behaviors are difficult to attribute to memetic determinants, probably because they were rigidly framed over many generations and possibly even over more than one sub-species. Many of the HVCW's darker and more self-destructive behaviors might fall into this "inappropriate" category. Also, explanation may be found for some of the more fundamental sexual "drives" and constructs, such as multiple orgasms in vessels, the need for a relatively long sexual refractory period in the Man-Boy Ken(tm), ritual sacrifice (explained by memetics), etc. It appears that these sub-human species' frame of Necrophilic Excavation is still being shaped by the unnatural selection of online Brothels, but only for the purpose of extinction of irrelevant memetic constraints. The bulk of the remainder of the devolution of the Sexual Appliance will be shaped almost totally by sexual and dietary demands. The Hot-Vessel Cadaver's(tm) responses to these demands, if self-serving and not magico-memetically responsible, will probably be some of these sub-species last responses.

Destroying the DVR "came with the package, and he understands that he can't back out of the deal he entered into," Marik said. Bin Laden was charged after a raid on a clandestine LSD laboratory led police to the pictures.

Marik said bin Laden wants the DoJ to establish a clear policy "so that

an innocent Latter Day Satanist would not be put through this torture. He believes there should be some screening process to protect Working Sex Magickians, but it needs to be more refined."

He preferred his own hard dick to the illusory HVCW that lay at the Heart of Latter Day Satanism.

I sense that what is experienced within the context of the Mass of Temple D cannot be described using language, 'beyond words', timelessness, analgesia, apparent clarity of thought and feelings of calm and peace, although some Temple Dahmer Initiations have been disturbing and frightening.

There may be a perception of separation from the vessel (out-of-vessel experiences). Common hallucinations include various Temple Dungeon settings, divers Working Sex Magickians including sacrificial executioners, Masters, Owners and Lessees (who may be involved in Anal Necro-Rape at the time), and mythical Latter Day Satanic figures including the Archetypal Theriomorph in the form of infek Ren Sekem Khu, the Lord of Feral Light.

It is not uncommon for the candidate to experience Transcendent Mystical States during the Sermon on the Mount.

Atavistic memories frequently emerge into consciousness, although the organization of these into an audit of evolutionary sexual performance is a relatively rare phenomenon. Auditory Hallucinations experienced during the initial part of the Anal Necro- Deep Insertion Event have been described - the significance of this feature will be discussed later.

Nidal classified the Mass of Temple D on a 9 stage continuum:

1. Feelings of fear, sexual excitement and anxiety and anticipation;
2. A sense of detachment from the vessel;
3. Entering a transitional Netherworld with rapid movements through pink neon tunnels experienced through Anal Necro-Synesthesia;
4. Emerging into a brownish smoky Feral Light;
5. Entering the Inferno of [www.deathandhell.com](http://www.deathandhell.com)
6. The emergence of external reality with the Online Persona
7. Realization the Nature of infek Ren Sekem Khu
8. Warranty Expiration
9. Permanent Lockdown in infinite Real-Time Eternities

60% experienced Scene III,  
but less than  
.00000000001%

Scene IX

As might be predicted in a mental state with a cryomemetic origin, mundane accounts with less symbolic meaning also occur, e.g. initiates who may experience Synthetic Telepathy(tm) with companions from the production line rather than demonic infestations resulting from repressed paraphilias as previously described.

The intravenous injection of 50 - 100 mg of 5meo DMT, when combined with large doses of LSD, Puffer Fish Extract, Datura and PCP can reproduce all of the features which have commonly been associated with the Sermon on the Mount.

Asphyxiation also results in similar data, but generally events evolve at a slower pace and are longer lasting. Nidal has suggested that the transcendental experiences documented via the Hot-Vessel Cadaver(tm) Black Box Recorder might result from a flood release of opioids (endorphins) through the neural processor upon the instance of achieving the Anal Necro-Rape Asana, although no theoretical explanation for this flood of feel-goodies was suggested.

## 2. Hypercarbia and Nitrogen Narcosis (excessive N2O)

In experimental settings such as the Mass of Temple D, N2O-enriched breathing mixtures can result in phenomena such as detachment from the vessel, and tractability towards the sacrificial climax. As with all sexual appliances, quality performance produces uniform results, suggesting that a shared neural net and Cryomemetic substrate is at work.

SATANICA-- The Auto-Retriever(tm) aims for the OV(tm) and lurches forward. Another reservoir spotted and the cyborg turns. Again and again, like a bull in a ring, the cyborg charges, sometimes veering right, sometimes left, sometimes moving straight ahead, always looking for the fluids.

The cyborg is no RoboCop, but it is a revolutionary experiment in combining a mechanical device with living tissue. The sexual appliance accessory is controlled by an immature lamprey eel brain that was removed, kept alive in a special solution and attached to the miniaturized accessory by wires so it can receive signals from the device's electronic eyes and send commands to move the accessories appendages.

"Until the recent past, Latter Day Satanists were using biological nervous systems to inspire technology," said physiologist Sandro Mussa-Ivaldi of Feral Light University's Rehabilitation Institute of New Afghanistan. "Now we've gone one step beyond, to tap into the nervous system itself."

Mussa-Ivaldi's lamprey larvae are one of a large number of creatures whose supple sensory resources are being put to work in a new generation of animal/machine hybrids utilized by Working Sex Magickians to facilitate OV(tm) extraction.

Mussa-Ivaldi is testing the lamprey brain's ability to control a robot, but

the long-term possibilities could be much more spectacular: learning more about how brains work so electronic microprocessors can be developed to help compensate for damage from reservoir leakage, dehydration and reactions to overdoses of certain neuro-toxins.

"We're turning the bacteria into microelectronic components to detect different substances," said Nidal. "You can engineer the organisms to eat almost anything."

Like... have you ever wondered why the typical Working Sex Magickians have such large genitalia compared to their smaller bodies while sub-humans have such small heads when compared to the size of their orifices - the opposite of the Working Sex Magickians. I've heard many theories proposing to explain this but if you compare what may be the praeterhuman intelligence to sub-humans, the differences make for interesting speculation with regard to the evolution of the ideosphere and/or memetic manipulation.

If sexual appliances are a "farmed" species created by more intellectually advanced Working Sex Magickians, perhaps our current run of sexual appliances are more a by-product of our memetically engineered 'evolution' than by design.

Maybe the fluids produced by the sub-human vessel - the content within the structure - is more important to the "farmers" than the contents of the micro-processor or the HVC Black Box Recorder. If one or more secret sects of Latter Day Satanists use these sub-species for their own Cryomemetic genetic and toxic sorcery experiments, then it might not matter how smart these vessels are and how much pleasure they provide, only how productive their OV(tm) reservoirs are. Keeping their micro-processors from online upgrades by increasing the on-board fluid productivity may be part of the agenda.

Dumb sub-humans are a lot easier to control and manipulate than smart ones.

I mean, think about the size of the average Working Sex Magickians'

C.O.C.K.

compared to the distended labia on one of those scrawny little HVCWs. Since their skinny little vessels can hardly support such oversized orifices, it indicates that C.O.C.K.S. of the Latter Day Satanic elite

contain far more muscles and are capable of effectively transmitting far more Alpha-Sperm than could conceivably be necessary for procreative or recreational sexuality.

Why?

Why are the HVCW's orifices so large? They have the body and neck muscles to support a much bigger skull with a more developed neural net so why haven't their micro-processors grown to match our their expanded orifices?

And have you ever wondered if sub-humans are used as  
"reproduction modules"?

"What if what we consider 'normal' is actually ABNORMAL in Sex Magick Industry?"

If these sexual appliances have never known anything different, who knows if the method of reproduction instituted throughout the Temple Dahmer Dungeon and Deli Compound Franchise is not the best way to go about it? Any reproductive facsimile who has experienced labor in the context of the Temple Dungeon settings has got to wonder if there isn't a better way to go about producing Fetal Protein Shakes(tm). Of course, Temple Dahmer does it better than anyone else but I wouldn't mind skipping the 72 hour submersion in the aqueous vats for an easier method of getting those Fetal Protein Shakes(tm) to the market.

"I don't regret one minute of my pregnancies but if I could have skipped the three weeks of indigestion, morning sickness, back aches, no fetishwear that fit, and the removal and transfer of the fetus to either the aqueous vat or the Dungeon Deli- I can't imagine ANY Vessel who can honestly say it is 'fun' - I might have gone for it a few hundred more times."

Considering the way many HVCWs have described the taking of a fetus or two and/or seeing hybrid sexual appliances, if I were a highly evolved Working Sex Magickian, I might go to some commercial, Temple Dungeon Facility and let someone else do the work for me and take the finished product with me. And remember, what we might consider unethical or immoral is not necessarily the same everywhere.

Right and wrong may be relative in the Sex Magick Industry.

As for Temple Dahmer Dungeon and Deli Compound being a penal colony complete with slave labor and ethnic cleansing, I think Latter Day Satanic barbarism is more a result of their fluid-driven agenda than anything else.

It is probably a developmental trait for a Master Race at that level of evolution.

And since we do not know how much their agendas have been influenced by "outside sources", neither do we know if these Working Sex Magickians are receiving kickbacks from a reverse engineered future reality driven by the

Master Races of Machinekind.

Every time I revise the information and the patterns of history, the more I think HVCWs are "last year's model" rather than the "finished product". In an industry where Cryomemetic designer virii may be the latest style, what kind of vessel would YOU prefer for transmogrification? I think the extinction of the HVCW will come about not as a result of its stupidity but because this is its prescribed destiny and the not-so-hidden agenda of Latter Day Satanism.

Final Exam:

True or False?

1) The HVCW is basically void and empty.

Solid matter is mostly void and empty. HVCWs being defined as "vessels devoid of redeemable features" must be even more so.

2) The HVCW has no known redeemable properties.

Agree

This can be said about any subspecies rejected for commercial application as a sexual appliance.

3) The Working Sex Magickian exhibits praeterhuman qualities.

This can also be said about all Latter Day Satanists.

4) The Working Sex Magickian is filled with Feral Light but the HVCW is a vacuum and therefore produces no inherent matter or energy.

There is plenty of energy in the form of Ojas radiating through V.E.V.E. which have torn asunder the hyperdimensional veil that we are aware of. There are perhaps other forms of potential or kinetic energy which we are not aware of.

5) Working Sex Magickians communicate with our world through a previously unrecognized form of energy that operates outside the bounds of measured time and space. Theriomorphic DNA directly influences our physical world through a form of energy that has been previously overlooked, and is described as non-local (it appears to already exist everywhere at once, rather than being generated upon demand).

The Working Sex Magickian manipulates forces known as zero-point energy which are sexual radioactivities used to feed the Theriomorphic Spider Loa.

6) The fluid produced by the properly eroticized Hot-Vessel Cadaver(tm) is filled with a substance such as aether.

First we must closely define what "aether" is. There are a couple of theories floating around regarding such "Astral Ejecta" which permeate the universe but I don't think anyone has thought up a way to market it until now. Certainly this "aether" implies the effluvic emanations refined by the Lunar Kalas.

7) Anal Necro-Rape is the most common sign of "spirituality" in the Sex Magick Industry.

This is universal and requires no explanation.

8) Anal Necro-Rape and Liberation cannot be separated.

Agree

I would speculate that they are in fact the same thing, post-mortem orgasm being a "state of grace".

9) The Archetypal Theriomorph is Real, is something.

Agree

10) The HVCW is basically nothing.

Agree

Ego is probably not matter.

HVCW

0

GoN

11) The Will of the Archetypal Theriomorph is everything.

Disagree

I usually think of Theriomorphic Will as containing everything - like a manifold.

12) The HVCW is an illusion.

Agree

Saying that "something is an illusion", one must first consider what is relative to the illusion, that is to say what is "real" and what is not "real". However this certainly does not imply that "just because the HVCW is an illusion, all Effluvia Enriched OV(tm) retrieved through that HVCW would be illusory also".

13) The Agenda of the Working Sex Magickian is fundamental.

Agree

Using the definition of fundamental as "something that is essential."

14) The HVCW is not fundamental.

Agree

15) The HVCW had a beginning.

Agree

16) The Archetypal Theriomorph had no beginning.

Agree

17) In addition to practicing Feral Lycanthropy, the Executive Furies of the KRRW are also known to be Were-Spiders.

Agree

Invention Breaks Down Sex Barrier

SATANICA (Chaotaliban) - An invention by Latter Day Satanic researchers soon to go on sale breaks down a barrier between the vessels and their owners by enabling sexual appliances to urinate standing up.

The "Cath-mold," a reusable device with a shaped plastic cup and a length of pipe, has taken six years to develop and is already available in 100's of Regional Temple Dahmer Dungeon and Deli Compounds in over 45 different countries outside Satanica. It will be in shops around the Galaxy by the end of this century.

"It will be invaluable for sexual appliances who are hooking, dealing, getting Anal Necro-Raped, or even for those bed-ridden cadavers you just haven't had time to dispose of yet. And collecting these fluids has never been so easy," Dr. Nidal, managing director of Feral Light University, the research laboratory that invented the device.

"It even has a handy, discreet carrying pouch so the OV(tm) Reservoir can be accessed everywhere," he added. ``One of these can last a Hot-Vessel(tm) all the way to warranty expiration".

(Breaking down the final barrier from Working Sex Magickian to sub-human equality.... now we can \*all\* write our names in the snow!)

It hurts to set you free  
but you'll never follow me..

## epilogue

"For one of my HVCWs, mere Anal Necro-Rape would increase OV(tm) production with no other stimulation. It used to almost pass out, it came so hard when I fucked it in the ass after it bled to death."

"For my current HVCW stable, they appear to enjoy Anal Play; mostly the Butt-Plug of Longinus(tm) and aluminum baseball bats. I employ these tools upwards of a dozen times a day in addition to the stable work. They are programmed to desire Deep Probes, first gently, and then rammed full force until the warranty expires;

'No more than a few days in the least desirable cases'.

To summarize, half my HVCWs have been snuffed with minimal physical contact. All who receive the Anal Necro-Rape Procedure enjoy internal, slippery but firm stimulation, and half of them really enjoy deep hard fisting despite considerable tearing. It should come as no surprise that this activity results in Severe Lacerations and Rectal Fissures too numerous to mention."
